February 5, 2016

Dear Junior and Parent/Guardian:

Campbell Union High School District, in collaboration with West Valley College, is offering an educational option for high-achieving high school seniors who would like to earn up to one year of college credits while completing the requirements for their high school diplomas. The program is called **College Advantage**. It was developed for students who seek advanced subject studies by taking college courses in Science, English, Mathematics, Humanities and Social Sciences. Students in College Advantage are CUHSD students who are enrolled at West Valley College full-time during their senior year in high school. This program is not to be confused with the District Middle College Program. Students in College Advantage will still receive their high school diploma and may participate in graduation. We are writing you about the program because you meet the basic eligibility requirement of at least a 3.5 GPA (10 - 12).

The enclosed flyer is our brochure that describes the program. To assist you in this decision and to answer any questions, a parent/student meeting will occur on **Wednesday, March 2, 2016 at 6:00 pm, West Valley Fox Building (follow signs), West Valley College**. At the parent/student meeting there will be a presentation about College Advantage, the application packet will be available to pick up, and the chance to ask questions about the program.

If you are unable to attend this meeting but are interested in the program, you should talk to your Guidance Advisor at your high school. You may also email Jennifer Halas, College Advantage Guidance Advisor at [jhalas@cuhsd.org](mailto:jhalas@cuhsd.org)

I look forward to seeing you at West Valley College on Wednesday, March 2, 2016 at 6:00pm in the Fox Building. See enclosed map. Parking passes will be available in the Fox Building upon arrival.

Sincerely,

Jennifer Herlihy Halas, CUHSD Guidance Advisor
