1. Student Learning and Program Effectiveness:
   • SLO = 33 more unassessed courses from 13-14 to address
     (14 courses out of 33 are PKMGT courses, Diane will speak with the faculty in PKMGT)
   • The committee is working on revising assessment questions to make it more open ended
     so as to promote quality discussion.

2. Program Review:
   • Theme has been identified in a general sense:
     Student Support, Outreach, and Success
     Professional Development and Collaboration
     Enrollment and Efficiency
     Personnel resource challenges
     Budget and Resource Challenges

Mel’s goal is to have the draft of Theme report to the Academic Senate on Tuesday next week
And try to have the final report to the College Council by early November.

Tool change: Current Survey Monkey to ANGEL, much earlier and user-friendly tool
            Easy reporting
            Max Gult will assist in this process

14-15 Program Review:
   Begins earlier on November 21, 2014, providing more time for BRAC to
   Review. Budget portion will be provided in late January or early February 2015.
   
   Everyone will do the “update” this year as data sets will be 13-14. We will add
   One question relative to achievement gap per the 14-15 Goals and Objective
   goal 2. Datasets will be provided.

Ideas to ensure smooth transition of information:
   BRAC and SL/PE will go to each other’s meetings to ensure collaboration and
   Smooth transition of information.
