All students are encouraged to take advantage of orientation. Don't waste a semester by taking the wrong courses to reach your goal. Orientations are scheduled throughout the semester break for your convenience. Orientations will also be offered during the Spring semester. See page 7 for orientations offered and sign-up procedures.

By attending an orientation, you will receive important college information, interpretation of your assessment results, and educational planning.

Couns 00A

Online Orientation

A self-paced orientation for new or transfer students with fewer than 20 college units who are unable to attend an on-campus orientation.

Students who have completed an orientation by the next registration cycle may also receive higher registration priority than those who have not.

► Step 4. Clear Prerequisites

If you have completed a course prerequisite at another college or in high school, you will need to submit a copy of your transcript to the Assessment Office (Counseling Building) prior to your registration date. Unofficial transcripts or grade reports are acceptable.

CHANGING YOUR CLASS SCHEDULE

Before Instruction

Students who have registered may make changes to their schedule. Students may use T-REG/MyWebServices to make changes through the day before your class starts.

Adding Classes After They Are Closed

You must attend a class in order to add. If the instructor can accept any additional students, s/he will give you a four-digit authorization code (ADD CODE). You will need to process this code over MyWebServices through the registration process or over T-REG 408-741-8734 system to ADD the class. **You must use this code immediately because it will become invalid if the census date for the class has past.** Payments can be made by credit card (Master card or Visa), over T-REG or on the WEB. It is your responsibility to go to the WEB to MyWebServices and print out your current schedule verifying the ADD was processed. **The deadline to process all ADDS is February 12, 2009.**

It is your responsibility to meet all pre and co-requisite requirements. In addition, it is your responsibility to drop the course you added if you no longer want it. Be sure to check deadline dates.

Dropping Classes After Instruction

Before Instruction: You can use T-REG/WEB to drop your classes before the term.

After instruction: You can use T-REG/WEB to drop your classes. The last day to drop full semester-length classes without a "W" and receive a refund is **February 12, 2009**. You may still drop without a "W" until **February 20, 2009** but **NO REFUND** will be issued. Short-term classes must be dropped by the end of the day of the first class meeting to avoid a "W" and receive a refund.

The **deadline** to drop semester-length classes with a "W" is **May 1, 2009**. For short-term courses, 75% of the term of the class will be

used to determine the last day to drop with a "W." After the determined last day to drop, a letter grade other than a "W" will be posted.

An instructor's signature is not necessary to drop a class. It is necessary, however, to have the signature of the laboratory attendant when dropping chemistry (except Chem 50) and photography classes, and to get a clearance from the Physical Education Department when dropping a P.E. class if you have been issued a locker.

Instructors MAY drop students for failure to attend the first meeting of the class. You should notify the instructor if you are unable to attend the first class meeting.

DO NOT ASSUME THAT YOU WILL BE "DROPPED" FROM A CLASS. IT IS THE STUDENT'S RESPONSIBILITY TO DROP ALL UNWANTED CLASSES. No enrollment fee refunds will be made for classes dropped after the published refund deadline in current Schedule of Classes (see academic calendar)

Audit Information

West Valley College has a student audit policy. Students may not sign up to audit until the class begins. Students need to obtain a "Request to Audit" form from the Division Office and go to the first class meeting. The instructor will sign the form after determining if the student qualifies as an auditing student and if the class is one which may be audited. The signed Request to Audit form is then taken to the Cashier in Admissions and Records and fees are paid. The fee for auditing is \$15 per unit.

Credit/No Credit Option

Not all classes are available on a credit/no credit or grade option. Check the West Valley College Catalog to determine if your class offers this option. If it does, notify your instructor that you choose the credit/no credit option. This must be done before one third of the class (six weeks for a semester-length class) has passed. If you do not notify your instructor, you will automatically receive a letter grade.

Return of Title IV Funds

A student may owe money back to the Department of Education if he/she received federal financial aid and then withdrew before completing 60% of the semester or completed zero units at the end of the term. The federal programs include: Pell Grant, Academic Competitiveness Grant (ACG), Federal Supplemental Educational Opportunity Grant (FSEOG), and the Federal Family Educational Loan Program (FFELP). The College is required to determine the amount owed and to bill the student. The student has 45 days to respond. Veteran's Educational Benefits

New veterans should contact the Veterans Office, located in the Admission and Records building, at least one and one-half month prior to the first day of school in order to request advance pay. Returning veterans should allow the same amount of time for their requests. Continuing veterans should check with the Veterans Office as soon as they register each semester.

Student Financial Assistance

Student financial assistance opens the door to post secondary education for many whom could not otherwise afford its cost. The purpose of financial aid is to assist eligible students in meeting education costs while attending school. Financial "need" is the difference between the school's Cost of Education and the resources available to the student commonly termed EFC (Expected Family Contribution). Financial aid assistance comes in the form of gift aid (grants and scholarships) and self-help aid (jobs/loans). Students must apply for aid and submit all required documentation.

Board of Governor's Waiver (BOGW)

The Board of Governor's Waiver (BOGW) is one of the financial aid programs available at the college. This program waives the enrollment fee for eligible students. It also waives a portion of the parking fee. Applicants must be California residents and meet other criteria.

Interested applicants should stop by the Financial Aid Office prior to registering for courses and complete a one (1) page Board of Governors Waiver (BOGW) application form.

INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM

The Intersegmental General Education Transfer Curriculum (IGETC) consists of a series of courses that community college students can use to satisfy lower division general education requirements at any CSU or UC campus.

IGETC certification can be either full or partial. See a counselor for details. Certification of IGETC will permit a student to transfer from a community college to a campus in either the California State University (CSU) or the University of California (UC) system without the need, after transfer, to take additional lower-division general education courses to satisfy campus general education requirements. A minimum grade of "C" in each course is required.

Completion of the IGETC is not a requirement for transfer to a CSU or UC, nor is it the only way to fulfill the lower-division general education of the CSU or UC prior to transfer. Students may find it advantageous instead to take courses fulfilling CSU's general education requirements or those of a particular UC campus.

Complaints

If you feel that assessment, orientation, counseling or any other matriculation procedure is being applied in a discriminatory manner, you may file a complaint. Refer to the Grievance Process located in the "rights and responsibilities" section of the current College Catalog or contact the Director of Human Resources and Employee Relations in the Human Resources Office.

Academic Appeals Committee

The College maintains an Academic Appeals Committee whose purpose is to provide an avenue of appeal for students seeking relief from the rules and regulations of the College pertaining to admission, readmission, residency, tuition or fees, degree or certificate standing, academic standing, grade extensions, and extensions of deadlines.

Prior to petitioning the Academic Appeals Committee, students must first attempt to resolve their problem or concern directly with the appropriate faculty member or Instructional Dean.

Grade appeals are handled only by the instructor and then appealed first to the Department Chair; second, Division Chair; and finally, Vice President of Instruction.

Petitions for relief from academic rules and regulations must be submitted in writing on forms available in the Admissions Office. Appeals of the Committee's decisions may be submitted to the Committee for reconsideration if a student has additional EXTENUATING CIRCUMSTANCES that were not included in the original petition.

Decisions of the Academic Appeals Committee are final and binding, but may be appealed to the College President in writing by the student within five (5) instructional days of reaffirmation of the Committee's decision.

Changes in Rules and Policies

The West Valley-Mission Community College District and West Valley College have made every reasonable effort to determine that everything in this class schedule is accurate. Courses and programs offered, together with other matters contained herein, are subject to change without notice by the Administration of the West Valley-Mission Community College District or West Valley College for reasons related to student enrollment, level of financial support, or for any other reason, at the discretion of the District and the College. The District and College further reserve the right to add, amend, or repeal any of their rules, regulations, policies and procedures.

INFORMATION DISCLOSURE

The Family Educational Rights and Privacy Act (FERPA) and District policy afford students certain rights with respect to their education records. They are:

1) The right to inspect and review the student's education records within 5 days of the day the College receives a request for access.

Students should submit to the Registrar, or other appropriate official, written requests that identify the records they wish to inspect. The College official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the College to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2) The right to request the amendment of the student's education records that the student believes are inaccurate or misleading.

Students may ask the College to amend a record that they believe is inaccurate or misleading. They should write the College official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for such amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3) The right to consent to disclosures of personally identifiable information contained in

the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the College discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by West Valley College to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
600 Independence Avenue

California Nonresident Tuition Exemption

*For Eligible California High School Graduates
(The law passed by the Legislature in 2001 as "AB 540")*

GENERAL INFORMATION

Any student, other than a nonimmigrant alien, who meets all of the following requirements, shall be exempt from paying nonresident tuition at the California Community Colleges, the University of California, and the California State University (all public colleges and universities in California).

- Requirements:
 - The student must have attended a high school (public or private) in California for three or more years.
 - The student must have graduated from a California high school or attained the equivalent prior to the start of the term (for example, passing the GED or California High School Proficiency exam).
 - An alien student who is without lawful immigration status must file an affidavit with the college or university stating that he or she has filed an application to legalize his or her immigration status, or will file an application as soon as he or she is eligible to do so.
 - Students who are nonimmigrants [for example, those who hold F (student) visas, B (visitor) visas, etc.] are not eligible for this exemption.
 - The student must file an exemption request including a signed affidavit with the college that indicates the student has met all applicable conditions described above. Student information obtained in this process is strictly confidential unless disclosure is required under law.
 - Students eligible for this exemption who are transferring to another California public college or university must submit a new request (and documentation if required) to each college under consideration.
 - Nonresident students meeting the criteria will be exempted from the payment of nonresident tuition, but they will *not* be classified as California residents. They continue to be "nonresidents."
 - AB540 does not provide student financial aid eligibility for undocumented alien students. These students remain ineligible for state and federal financial aid.
-

PROCEDURES FOR REQUESTING THIS EXEMPTION FROM NONRESIDENT TUITION

California Community Colleges: Complete the form on the reverse. Submit it to the Admissions Office at the community college where you are enrolled or intend to enroll. You may be required to submit additional documentation. Call the college Admissions Office if you have questions.

University of California: The University of California (UC) system has its own nonresident tuition exemption application and affidavit form, but it will accept the exemption request form used by the California Community Colleges and the California State University. Your campus has established deadlines for submission of exemption requests; however, requests are not to be submitted until you have been admitted to a UC campus. Some students, such as transfer, graduate, and professional students, also must submit their official high school transcripts; check your campus for specific instructions. Once you are determined to be eligible for the exemption, you will continue to receive it as long as you fulfill the eligibility requirements or until the University no longer offers this exemption. The exemption covers the Nonresident Tuition Fee and the Educational Fee differential charged to nonresident students. Applying for the exemption does not alter your responsibility to pay by the campus deadline any nonresident tuition and associated fees that may be due before your eligibility is determined. General information is available at: www.ucop.edu/sas/sfs/Programs_and_Policies/ab540faq.htm. For campus-specific instructions regarding documentation and deadline dates, contact the campus Office of the Registrar.

California State University: Complete the form on the reverse. Contact the Office of Admissions and Records at the CSU campus where you are enrolled or intend to enroll for instructions on submission, deadline information, and additional requirements. You will be required to submit final high school transcripts and appropriate records of high school graduation or the equivalent, if you have not done so already. Call the Office of Admissions and Records at the campus if you have questions.

CAMPUS SAFETY

The West Valley/Mission Community District strives to maintain a safe environment for students, staff, and visitors to pursue educational objectives. However, a truly safe and secure campus can only be achieved with thorough cooperation of all members of our College community.

Throughout the academic year, the District Police and Health Services in conjunction with Student Services presents informational programs concerning the awareness and prevention of sexual assault. These programs consist of guest speakers, films and printed materials. To obtain further information, please contact either the District Police, Health Services or Student Services. Counseling assistance is available through Health Services and the Counseling Department.

The College will vigorously prosecute and discipline persons identified as responsible for sexual assaults. In addition to criminal prosecution, the College may impose discipline against students, student organizations or College faculty or staff identified as committing or participating in sexual assaults. College discipline includes: expulsion from the College; suspension for a specific time period; or probation for a specific time period.

Discipline proceedings involving students will be processed through the office of the Vice President of Student Services. Discipline proceedings involving faculty or staff members will be processed through the District Human Resources office. Both the accuser and the accused are entitled to the same opportunities to have others present during a campus disciplinary proceeding. Both the accuser and the accused shall be informed of the outcome of any campus proceeding alleging a sexual assault.

Campus facilities are generally open Monday - Friday, 8am - 5pm, and during other hours as special events, extra curricular and as classes dictate.

REPORTING SEXUAL ASSAULT

As soon as possible, the victim should report incidents of sexual assault, including date or acquaintance rape to the District Police Department, the local police (if the victim is unable to make contact with the District Police), or a College faculty or staff member who can aid in contacting the proper authorities. The Counseling Department and Health Services can also help in contacting the proper authorities. The victim should make every attempt to preserve any physical evidence of the assault. This may include not showering or bathing, not cleaning the scene of the incident, and not disposing of any damaged clothing or other items. The District Police will immediately initiate a criminal investigation into on-campus sexual assaults.

The victim will be given information on counseling and support groups. If the victim wishes to change an academic schedule, the appropriate steps will be taken to accommodate the victim to the full extent possible. The College also encourages persons reporting to seek the support and assistance of friends or family when needed, in presenting their concerns. Santa Clara County offers 24 hour counseling for victims of crimes. The Santa Clara County Valley Rape Crisis Center may be reached at (408) 287-3000.

SAFETY ESCORTS

There is an escort service at both colleges available from 5:00 pm to 10:00 pm Monday through Thursday. Escorts can be reached by dialing 2092 on campus or 741-2092 from a non-campus line. Times must be arranged in advance so the escorts can meet students at their classes.

The District Police will provide you with assistance in unlocking your vehicle, providing jumper cables, or summoning a tow truck or locksmith to assist you. We cannot attempt to open vehicles which have electric locks or windows. We will also assist family members in contacting students who are in class if there is a serious family emergency.

CRIME PREVENTION

The District Police Department provides a number of services to help educate the campus

community in how to avoid being a victim of a crime. Printed information is available at the West Valley Police Department and at the Mission College Police Desk on various topics including: Sexual Assaults, Vacation Security, Family Violence Reduction, Battered Women, Home Security, Crime Victims' Rights, Robbery Prevention, Car Crime Prevention, and How to Guard Against Attack In and Around Your Car. The police personnel are always available to answer questions and make suggestions regarding campus security issues. The Crime Prevention Officer publishes a periodic newsletter which updates the students and faculty and staff on various aspects of campus safety and current concerns and he/she is also available to make special presentations by appointment.

The campus community will be advised of any situations/incidents which pose a threat by the use of e-mail and the posting of bulletins. The sooner the police are called the better our chance of solving the crime. If you happen to see something suspicious, do not hesitate to call the police with a description of the persons, their vehicle and what they are doing. This may save a fellow student or staff member from suffering the frustration associated with being a victim. Remember it is a team effort. The police are here to serve and assist you, and we need your help to maintain a safe campus that is conducive to learning.
