ASSESSMENT AND ORIENTATION

New students are expected to complete assessment, college orientation, and educational planning BEFORE registering for classes. Students who complete assessment and attend an orientation will receive counseling assistance when scheduling their classes.

Assessment is the process to evaluate skills in reading, writing, math, and English as a Second Language (ESL). After completing assessment, a student will receive counseling assistance in the interpretation of assessment results and selection of courses.

Students exempt from Assessment:

- Anyone who has taken the Advanced Placement exam in English Literature, English Language or Mathematics AB and/ or BC, Statistics with a grade of 3 or higher.
- Students who are only taking classes that do not require English or math as prerequisites or for personal enrichment.
- Students who have completed an Associate's Degree or higher from an accredited American college or university.
- Students who have completed English, math, and/or reading at another college or university.

Exempt Pre or Corequisite Clearance Process

Clearance of a pre or corequisite requires documentation that verifies previous course completion or skill level attained to register for a specific class. A "C" or better grade is required to clear pre or corequisites. Refer to page 20.

Method A: Bring your unofficial transcript/s to the Assessment Desk in the Counseling Center - Appointment is not required. Method B: Fax your unofficial transcript to (408) 741-4076 and include your WVC student ID number, class requested, and phone number. Method C: Scan and e-mail your unofficial transcript to jeremy.sias@wvm.edu our assessment specialist and include WVC ID number and class requested.

Blocked Registration: If you are blocked from registering for a class because of a prerequisite requirement, follow one of the three methods described above. Note: Unofficial transcripts can be used for clearing prerequisites. However, official transcripts are required to complete an evaluation of completed general education courses. Official transcripts (unopened) should be brought to the Counseling Center for processing.

CHANGING YOUR CLASS SCHEDULE

Students who have registered may make changes to their schedule in the WVCPortal. Always review current balance after making any changes to your schedule.

Adding Classes

To add a class once the term begins, you must attend the first class meeting (whether you are waitlisted or not). If there are seats available, the instructor will assign students Add Codes for the class. The Add Code is a four digit number that gives the student permission to add the class on our WVCPortal. Add Codes must be used by the deadline.

It is your responsibility to meet all pre and corequisite requirements prior to registration. It is also suggested

that students monitor their courses through the WVCPortal on a regular basis. In addition, it is your responsibility to drop the course you added if you no longer want it. Be sure to check deadline dates.

Dropping Classes

The WVC Portal can be used to drop classes before or after the term begins. It is the student's responsibility to officially drop classes.

DO NOT ASSUME THAT YOU WILL BE "DROPPED" FROM A CLASS BY THE INSTRUCTOR. IT IS THE STUDENT'S RESPONSIBILITY TO DROP ALL UNWANTED CLASSES.

No enrollment fee refunds will be made for classes dropped after the published refund deadline in current Schedule of Classes.

Short Term Classes

Students must drop the day before the first class meeting to receive a refund for short term classes that meet for five days or less. Refunds are also issued to students that drop short term classes that meet 5 times or more before 10% of the scheduled class meetings have elapsed.

Audit Information

Students auditing a course are observers in the classroom and not enrolled. The student must have previously enrolled for credit for the maximum number of times allowed for the particular course requested for auditing. To audit a course, students:

1. Submit an application to the college.
2. Attend first class meeting
3. Obtain signed audit slip from instructor (not all courses are auditable)
4. Bring form to Admissions Office during 3rd week of term with \$15 per unit fee
5. High School students are not allowed to audit.

Pass/No Pass Option

Not all classes are available on a pass/no pass or grade option. Check the West Valley College Catalog to determine if your class offers this option. If it does and you wish to take the pass/no pass option, complete the Pass/No Pass Form

and submit to Admissions & Records. This must be completed before one third of the class (see calendar and course syllabus for deadlines). If no form is completed, the student will automatically receive a letter grade. This for is also available online.

Concurrent Enrollment

1. Complete an online application. (Go to westvalley.edu, CLICK APPLY NOW.) 72 hours after completing an online application: Check your e-mail for your West Valley ID number. Add it to your paperwork. High School Students need to file a NEW online application each term or semester.

2. Review class offerings. Go to westvalley.edu and click Schedule of Classes. Classes numbered 900 above (basic skills) and PE classes are NOT available for concurrently enrolled students. Enrollment is limited to 8 units within the district.

3. Print and complete the Concurrent Enrollment Form and Health Form. Meet with your counselor.

4. Assessment tests: Check to see if your class(es) requires an assessment test. Go to westvalley.edu/assess for testing dates and times. Arrive 15 minutes early. Bring parking money (\$3.00), a photo ID, your West Valley ID number and a couple of pencils. Questions: Call the Assessment Office at 408.741.2035. (You will NOT be allowed to take any assessment tests without a West Valley ID number.)

5. Prerequisites: Check the Schedule of Classes to see if your class requires a prerequisite. If your class requires a prerequisite, bring a copy of your unofficial high school transcript and/or AP scores and/or college transcript to the front desk of the West Valley Counseling Office (behind the A&R Building) prior to your registration date. Write your West Valley ID number and the course you want to take on your transcripts/copy of AP scores. Questions: Call the Assessment Office at 408.741.2035.

6. Check to see if a class(es) has space: Go to westvalley.edu/wvcportal/searchsections.html—no log in required.

Refund Policies

Most refund requests are processed within a two week window of the request. The first set of refunds occurs the week after the add drop window. West Valley College partners with Higher One, a financial services company focused solely on higher education, to bring a new method for delivering refunds to students. You will be able to use the Higher One card or choose your preferred method of payment.

This new method is designed to provide you with choices when it comes to receiving your financial aid or school refunds including the preferred "Easy Refund" method. Easy Refund is the fastest and easiest way to gain access to your refund money on the same day West Valley College releases it.

If you pay with a credit card, your card will be refunded. If you pay by cash or check, you can choose the Higher One Debit card refund, account reimbursement or a mailed check.

Please be aware that new registration activity may create a new balance which is due and payable at the time of activity.

- If your class is cancelled, you will automatically receive a refund.
- The \$3 web-reg fee is non-refundable.
- Parking permits must be returned to the A & R window by the last day to add a semester length class.
- Financial Aid students who withdraw from college prior to completing 60% or more of scheduled class meetings in a semester may owe money back to the federal government. Check with the Financial Aid Office immediately.

Course Material Fees

Some courses require a mandatory instructional materials fee or an optional fee for purposes of materials needed to assist in learning or achieving the objectives of the course. Education Code section 76365 permits colleges to require students to provide various types of instructional materials and enables colleges to sell such

materials to students who wish to purchase the required materials. The law provides that students can only be required to provide materials which are of continuing value to the student outside of the classroom setting. The State Chancellor's Office has determined that such materials include, but are not limited to textbooks, tools, equipment, clothing, and those materials which are necessary for a student's vocational training and employment. The regulations further provide that "instructional and other materials" means tangible personal property that is owned or primarily controlled by the student. The definition of "tangible personal property" has been expanded to include electronic data that the student may access during the class and store for personal use after the class in a manner comparable to the use available during the class (see title 5, § 59402). These title 5 sections specifically apply to both credit and non-credit courses. "Required instructional and other materials" are materials which the student must procure or possess as a condition of registration, enrollment, or entry into a class; or any material which is necessary to achieve the required objectives of a course. Finally, the regulations specify that the material must not be solely or exclusively available from the district. A material will not be considered to be solely or exclusively available from the district if it is provided to the student at the district's actual cost and there are health and safety reasons for the district being the provider, or if the district is providing the material cheaper than it is available elsewhere. For more information on courses that charge these fees, please go to: westvalley.edu/admissions/otherfees.html

Returned Check Fee

The WVC fee for processing checks returned by a bank due to insufficient funds, stopped payment or closed accounts is \$15.00 per check in addition to the original amount and may go as high as \$50.00, depending upon the response time on the check clearance. In addition, a delinquency will be placed on the student's records, registration will not be allowed and transcripts will not be issued. Passing of N.S.F., stop payment, and account closed checks may be considered a criminal offense and may be referred to the District Attorney's Office for prosecution.

Use of Social Security Number

Notification of Tax Identification Numbers (TIN) or Social Security Numbers (SSN) Required Collection & Usage. Federal legislation relating to the Hope Tax Credit and Internal Revenue Service (IRS) 1098T production mandates that all colleges report student SSN or TIN numbers to the IRS. This IRS mandate requires colleges to collect the SSN or TIN.

A student may refuse to disclose his or her SSN or TIN to the IRS but the IRS is then authorized to fine the student in the amount of \$50. West Valley College assigns a unique student ID number to every student and does not use the SSN or TIN as a student identifier. All SSNs and TINs collected as mandated are protected by federal regulations under the Family Educational Rights and Privacy Act (FERPA).

Frequently Asked Questions and Important Information for your success:

The WVCPortal is our primary source of communication to our student population. Please check the portal daily to be informed of vital announcements. Important details to help you with your college experience:

- Through WVCPortal, you can update your e-mail address at any time. WVC e-mails include important information about your registration days and times (includes information on any money owed the college), class cancellations. It is your responsibility to drop and add classes by the published deadlines. Keep your information updated and current.
- Please check on your information through WVCPortal to make sure your class schedule is accurate. This is your responsibility.
- Make sure you unblock any spam filter you have that may prevent you from receiving important WVC e-mail communications. We respect your privacy and only use your e-mail address for College/District communication.
- If you need another person to transact business on your behalf, whether a minor or adult, you must provide that person with a signed note of authorization. This must be presented at each transaction. This protects your right to privacy. A photo ID is required for all A&R transactions.
- You can pay your fees safely and securely over the web (westvalley.edu), in person at Admissions and Records, or mail your payment to the college. Please note student ID # on check. We are enforcing our payment policy. See p. 11 for details so you are not dropped from your classes.

1. When do I register for Spring/Winter classes?

You can register for your winter term and spring semester classes at the same time. Continuing students who registered for classes during the fall 2013 semester will be notified by e-mail in early November. Your registration priority is based on the number of units completed within the District. If you did not attend for a semester, you will need to reapply. You can do that online or in person. Please make sure you have given us your updated information and that you undo any spam blocks for the WVM address. Your registration date can be checked through WVCPortal.

2. I am new to WVC, how do I get started?

Welcome to West Valley College! Your success is our # 1 goal.

1. Complete college application.
2. Take Assessment Testing/Placement Testing. Take assessments to ensure you are placed in the appropriate English Reading and Math courses. Students who have completed an AA/AS degree or higher, are primarily taking classes at another institution, or taking classes for personal enrichment, are not required to complete Assessment or Orientation; however, prerequisite regulations are still applicable.

NOTE: There are also several sessions to assess ESL (English as a Second Language) students.

If you have completed the previous college level course at another college, have placement results from another college, or applicable AP scores, you can take that information to the Assessment Office to clear the prerequisite so you can proceed to a successful Registration. Call (408) 741-2035 if there are specific questions.

3. Orientation – Orientation is your opportunity to learn about the college experience and to develop an Educational Plan to help you reach your goals. You have various Orientation options: a 1/2 unit Orientation (Couns A) class, in-depth workshops for specific needs, or an online session. During this experience, you will meet with a counselor to help develop your Educational Plan based on placement test results, goals and other life variables.

4. Register using the WVCPortal, or in person in the Admissions and Records Office.

3. The class I want to take is full. Can I get on a Wait List?

Most departments have Wait Lists for classes. Prior to the start of the class, you may add yourself to a Wait List. There is no fee for being on the Wait List; you will be charged the enrollment fees if and when you are notified to add yourself to the class. Managing your class schedule is your responsibility.

After the class begins, and through last day to add classes (listed in the Schedule of Classes), you can speak with an individual instructor and see if he/she will add you to the class. If so, you will get a 4 digit Add Code to either use over the web or, if you need assistance, come in person to the Admissions and Records Bldg. for processing. **High school students are not placed on Wait Lists.**

You must use the Add Code on or before the last day to add. If, for some verifiable reason, you were not able to add in the class before the last day to add, you must visit the A&R office immediately. You will be expected to pay for your classes at the time of registration.

4. How do I find out what classes I am registered for?

Check your Schedule through WVCPortal at westvalley.edu It is easy to do and a good strategy to verify your schedule. Log in using your student ID and password; then go to My Current Class Schedule under Academic Profile. Once your class Schedule is finalized, print out a copy to help you find your classes.

5. What are the residency requirements for West Valley College?

A California resident is defined as one who has established both physical presence and intent to make California their permanent home for more than one year from the Residency Determination Date. Residency Determination Date is defined as the day immediately preceding the first day of instruction for the Semester/ Intersession. Physical presence is defined as continuous physical presence within the State of California, excluding temporary absences.

Intent to make California the permanent home is determined based upon acceptable evidence submitted by the student showing intent to make California the student's permanent home and evidence showing the student is not precluded from establishing permanent residency in the United States.

A non-resident student is one who has not resided in the State of California for more than one year and one day immediately preceding the Residency Determination Date as well as a student who is precluded from establishing domicile in the United States. Non-residents still may attend the College subject to non-resident tuition in addition to all other College mandatory fees.

6. How do I get a student ID?

Student photo ID's are free and available in Admissions and Records. You will need your student photo ID for transactions in A&R, the library and college bookstore. If you do not yet have a WVC student photo ID, be prepared to show another form of photo ID in Admissions and Records.

7. I have applied for financial aid. How will that impact my fees?

If you are a California resident, the Board of Governor's Fee Waiver waives your \$46/unit enrollment fee and a portion of the parking fee. You can apply for the BOG Waiver even after the semester begins and your fees will be adjusted. Additional financial aid is available so check out all your options and apply now. More information is available at: westvalley.edu/financialaid/

8. What if I am an International Student?

Please check the detailed International Student information at: westvalley.edu/services/academic-success/international/

9. What if I am a resident of another state?

Out of state students are welcome to attend WVC. You will be charged out-of-state tuition as outlined in our fee table. If your residency status changes please come to the Admissions and Records Office to complete a "Residency Questionnaire" and show proof of residency in California of a year and a day prior to the start of semester or term.

10. I am still in high school. Can I take classes at West Valley College?

Yes, WVC has a very active Concurrent Enrollment program. By District policy, students must be juniors or seniors in high school. For more information, go to the link under Admissions and Records for Concurrent Enrollment information, forms and guidelines. westvalley.edu/admissions/outreach/#tabs-2

11. How do I drop a class?

You can drop a class through the deadlines as listed in the calendar printed online and on pages 25 & 32 Schedule of Classes. For your convenience, you can drop using WVCPortal or in person in the Admissions and Records Office. It is the student's responsibility to drop unwanted classes. If you have registered for classes and did not attend, you may be liable for fees unless you drop within the established drop and refund deadlines. Varied drop deadlines apply for short-term classes. **Please confirm your schedule through WVCPortal.**

12. What do I do with transcripts from another school?

If you have official transcripts (in a sealed envelope), take to the Counseling Office to clear prerequisites or to have evaluated for General Education. Courses must be from an accredited school. Transcripts from another country must be evaluated through an outside agency. See the Counseling Office for more information. Please note: once a transcript has been officially evaluated, the units and grade point average (GPA) will be a permanent part of your academic record and cannot be removed.

Repeatability

New state regulations allow few courses to be repeated. In addition, there are groupings of courses with similar content called "families" in the PE, Art, Theatre, and Music disciplines. West Valley and Mission College's "families" of courses are linked and students may only take 4 courses within a family whether the course is offered at West Valley or Mission College. Refer to the table in the online schedule, campus catalog or consult with a Counselor to review the full list of "family" courses.

Return of Title IV Funds

A student may owe money back to the Department of Education if he/she received federal financial aid and then withdrew before completing 60% of the semester or completed zero units at the end of the term. The federal programs include: Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), and the Federal Direct Loan Program. The College is required to determine the amount owed and to bill the student. The student has 45 days to respond. If the student fails to pay the debt, the College is required to notify the National Student Loan Data Service (NSLDS) and at that time, the student becomes ineligible for any further financial aid consideration, regardless of which school the student is attending, until the debt is paid in full.

Financial Aid Updates

Satisfactory Academic Progress (SAP)

Federal regulations have added a new element to monitor academic progress for financial aid students: Pace Quantitative Standard
Pace Quantitative Standard: Maintain a CUMULATIVE completion rate of 66.7% (2/3) of ALL attempted units and a CURRENT completion rate of 66.7% (2/3) at the end of every semester. "Completing" units is defined as receiving a grade of A, B, C, D or P. For additional information please visit westvalley.edu/financialaid/progress

Course repeatability

Students repeating courses will be allowed to continue to benefit from financial aid based on a new course repeatability regulation: Units in which a student is enrolled will be counted for financial aid payment as long as the student has never passed the course. Passing grades are: A, B, C, D, P. If the student passes a course and wishes to repeat it to improve his/her grade; financial aid will allow one repetition after passing the course. Courses from which a student withdraws are not considered repeated coursework. Refer to the College's catalog for the College's course repeatability policy.

Ability to Benefit (ATB)

Students without a H.S. diploma or its equivalent (e.g., GED), or do not meet the home school requirement, and who first enroll in a program of study on or after July 1, 2012 will not be eligible to receive financial aid.

Lifetime Pell Grant Limits

Applies to all students regardless of when they received their first Pell grant. Students are eligible to receive Pell grant for up to 12 full time semesters. A student attending as a half-time (6 units) student is considered as having used half of a semester for purposes of tracking the Pell grant limits.

Unusual Enrollment History (UEH)

Unusual Enrollment History (UEH) means the student attends an institution long enough to receive (Title IV) federal student aid funds, leaves without completing the enrollment period, enrolls at another institution, and repeats the pattern of attending just long enough to collect Title IV funds without having earned any academic credits.

If selected, Financial Aid will ask for transcripts for all institutions/universities attended during academic years 2010-2011, 2011-2012, 2012-2013. Students will also need to provide their reason(s) for jumping from school to school and submit documentation to back up their situation.

Veteran's Educational Benefits

New veterans should visit our website: westvalley.edu/veterans or contact the Veterans Office, located in the Admission and Records building, at least six weeks prior to the first day of school. Processing paperwork early can help avoid delay in receipt of first payment. You must bring a copy of your DD214 or 2384 (NOBE) or Certificate of Eligibility for Ch. 33 (post 911) and any documentation relating to spouse and/or dependents. Returning veterans should allow the same amount of time for their requests. Continuing veterans should check with the Veterans Office as soon as they register each semester.

2014 Enrollment Changes

The California Community Colleges Board of Governors approved changes that will establish system-wide enrollment priorities designed to ensure classes are available for students seeking job training, degree attainment or transfer and to provide incentives to students who make progress toward their educational goals. Senate Bill 1456, The Student Success Act of 2012 provides critical support services to students on the front-end of their educational experience to increase student success. New students who have completed college orientation, assessment and developed educational plans (EdPlans) as well as continuing students in good standing who have not exceeded 100 units by April 2014 (not including units in basic English, Math or English as a Second Language) will now have priority over students who do not meet the criteria.

Students who are active-duty military, veterans, foster youth, and participants in EOPS and DESP will continue to have priority registration if they meet the same criteria listed above. The regulations were unanimously approved by California Community Colleges Board of Governors and will be implemented for fall 2014 (registration begins April 16, 2014). **We highly encourage students on academic progress probation and those nearing 100 units to seek guidance from a counselor to carefully plan their remaining courses.**

Field Trips/Excursions

Throughout the semester/school year, the District may sponsor voluntary off-campus extracurricular field trips/excursions. If you choose to participate, be advised that pursuant to California Code of Regulations, Subchapter 5, Section 55450, you have agreed to hold the District, its officers, agents and employees harmless from any and all liability or claims which may arise out of or in connection with your participation in the activity

Prerequisites, Corequisites or Other Limitations on Enrollment Challenges

You have the right to challenge prerequisites or corequisites or other limitations on enrollment for the following reasons:

- 1) You believe the pre- or corequisite has not been made reasonably available.
- 2) You believe that the pre- or corequisite was established in violation of regulation or in violation of district-approved policies and processes. (Supporting documentation must be provided.)
- 3) You believe that the pre- or corequisite or limitation on enrollment is unlawfully discriminatory or is being applied in an unlawfully discriminatory manner. (Supporting documentation must be provided.)
- 4) You believe you have the knowledge or ability to succeed in the course despite not meeting the prerequisite. (Supporting documentation must be provided.)
- 5) Enrollment in the course has been limited to a special group of students, and there are no other courses which would fulfill the requirement. You believe you would be delayed by a semester or more in attaining the degree or certificate specified in your educational plan. (Supporting documentation, including a copy of your educational plan, must be provided.)
- 6) The pre- or corequisite was established to protect health and safety and despite the fact that you do not meet the pre- or corequisite, you believe you are able to demonstrate that you do not pose a threat to yourself or others. (Evidence must be provided.)

To challenge a pre- or corequisite or other limitations on enrollment, contact Assessment for a challenge form and specific instructions. Submit the completed form and any required documents to Assessment. Your request will be evaluated by a challenge review committee (within five instructional days) and a written response will be mailed to you.

Complaints

If you feel that assessment, orientation, counseling or any other matriculation procedure is being applied in a discriminatory manner, you may file a complaint. Refer to the Grievance Process located in the "rights and responsibilities" section of the current College Catalog or contact the Director of Human Resources and Employee Relations in the Human Resources Office.

Academic Appeals Committee

The College maintains an Academic Appeals Committee whose purpose is to provide an avenue of appeal for students seeking relief from the rules and regulations of the College pertaining to admission, readmission, residency, tuition or fees, degree or certificate standing, academic standing, and extensions of deadlines.

Prior to petitioning the Academic Appeals Committee, students must first attempt to resolve their problem or concern directly with the appropriate faculty member or Instructional Dean.

Grade appeals are handled only by the instructor and then appealed first to the Department Chair; second, Division Chair; and finally, Vice President of Instruction.

Petitions for relief from academic rules and regulations must be submitted in writing on forms available in the Admissions Office. Appeals of the Committee's decisions may be submitted to the Committee for reconsideration if a student has additional EXTENUATING CIRCUMSTANCES that were not included in the original petition.

Decisions of the Academic Appeals Committee are final and binding, but may be appealed to the College President in writing by the student within five (5) instructional days of reaffirmation of the Committee's decision.

Changes in Rules and Policies

The West Valley-Mission Community College District and West Valley College have made every reasonable effort to determine that everything in this class schedule is accurate. Courses and programs offered, together with other matters

contained herein, are subject to change without notice by the Administration of the West Valley-Mission Community College District or West Valley College for reasons related to student enrollment, level of financial support, or for any other reason, at the discretion of the District and the College. The District and College further reserve the right to add, amend, or repeal any of their rules, regulations, policies and procedures.

Release of Student Information (FERPA)

Students have the right and the responsibility to control the release of information about themselves. On the WVC application, students indicate whether they want certain information to be released to any person or agency who requests it. By answering "yes," students agree to allow their "name, address, telephone number, date and place of birth, major field of study, class schedule, (including classes, rooms, days of the week and time of day for each class), participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous public or private school attended by the student" to be released without their written consent. **Please be advised that answering "no" means that parents, family, friends, and employers cannot have access to the above-mentioned information while answering "yes" means that the College may release any or all of that information on demand.**

It is the responsibility of the students to inform the Vice President of Student Services of their choice concerning release of information EVERY semester. If notification is not received by the Vice President, the answer on record remains in effect.

INFORMATION DISCLOSURE

The Family Educational Rights and Privacy Act (FERPA) and District policy afford students certain rights with respect to their education records. They are:

- 1) The right to inspect and review the student's education records within 5 days of the day the College receives a request for access.

Students should submit to the Director of Admissions, or other appropriate official, written requests that identify the records they wish to inspect. The College official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the office to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

- 2) The right to request the amendment of the student's education records that the student believes are inaccurate or misleading.

Students may ask the College to amend a record that they believe is inaccurate or misleading. They should write the College official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for such amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

- 3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the College discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

- 4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by West Valley College to comply with the requirements of FERPA:

CAMPUS SAFETY

The West Valley/Mission Community District strives to maintain a safe environment for students, staff, and visitors to pursue educational objectives. However, a truly safe and secure campus can only be achieved with thorough cooperation of all members of our College community.

Throughout the academic year, the District Police and Health Services in conjunction with Student Services presents informational programs concerning the awareness and prevention of sexual assault. These programs consist of guest speakers, films and printed materials. To obtain further information, please contact either the District Police, Health Services or Student Services. Counseling assistance is available through Health Services and the Counseling Department.

The College will vigorously prosecute and discipline persons identified as responsible for sexual assaults. In addition to criminal prosecution, the College may impose discipline against students, student organizations or College faculty or staff identified as committing or participating in sexual assaults. College discipline includes: expulsion from the College; suspension for a specific time period; or probation for a specific time period.

Discipline proceedings involving students will be processed through the office of the Vice President of Student Services. Discipline proceedings involving faculty or staff members will be processed through the District Human Resources office. Both the accuser and the accused are entitled to the same opportunities to have others present during a campus disciplinary proceeding. Both the accuser and the accused shall be informed of the outcome of any campus proceeding alleging a sexual assault.

Campus facilities are generally open Monday - Friday, 8am - 5pm, and during other hours as special events, extra curricular and as classes dictate.

REPORTING SEXUAL ASSAULT

As soon as possible, the victim should report incidents of sexual assault, including date or acquaintance rape to the District Police Department, the local police (if the victim is unable to make contact with the District Police), or a College faculty or staff member who can aid in contacting the proper authorities. The Counseling Department and Health Services can also help in contacting the proper authorities. The victim should make every attempt to preserve any physical evidence of the assault. This may include not showering or bathing, not cleaning the scene of the incident, and not disposing of any damaged clothing or other items. The District Police will immediately initiate a criminal investigation into on-campus sexual assaults.

The victim will be given information on counseling and support groups. If the victim wishes to change an academic schedule, the appropriate steps will be taken to accommodate the victim to the full extent possible. The College also encourages persons reporting to seek the support and assistance of friends or family when needed, in presenting their concerns. Santa Clara County offers 24 hour counseling for victims of crimes. The Santa Clara County Valley Rape Crisis Center may be reached at (408) 287-3000. For more information refer to National Center for Victims of Crime: nvcv.org

SAFETY ESCORTS

There is an escort service at both colleges available from 5:00pm to 10:00pm Monday through Thursday. Escorts can be reached by dialing 2092 on campus or 741-2092 from a non-campus line. Times must be arranged in advance so the escorts can meet students at their classes.

The District Police will provide you with assistance in unlocking your vehicle, providing jumper cables, or summoning a tow truck or locksmith to assist you. We cannot attempt to open vehicles which have electric locks or windows. We will also assist family members in contacting students who are in class if there is a serious family emergency.

CRIME PREVENTION

The District Police Department provides a number of services to help educate the campus community in how to avoid being a victim of a crime. Printed information is available at the West Valley Police Department and at the Mission College Police Desk on various topics including: Sexual Assaults, Vacation Security, Family Violence Reduction, Battered Women, Home Security, Crime Victims' Rights, Robbery Prevention, Car Crime Prevention, and How to Guard Against Attack In and Around Your Car. The police personnel are always available to answer questions and make suggestions regarding campus security issues. The Crime Prevention Officer publishes a periodic newsletter which updates the students and faculty and staff on various aspects of campus safety and current concerns and he/she is also available to make special presentations by appointment.

The campus community will be advised of any situations/incidents which pose a threat by the use of e-mail and the posting of bulletins. The sooner the police are called the better the chance of solving the crime. If you happen to see something suspicious, do not hesitate to call the police with a description of the persons, their vehicle and what they are doing. This may save a fellow student or staff member from suffering the frustration associated with being a victim. Remember it is a team effort. The police are here to serve and assist you, and need your help to maintain a safe campus that is conducive to learning.

CLERY ACT – ANNUAL SECURITY REPORT

The annual Security Report is available at the District Police Office, located on the West Valley Campus, and is available through the College website at wvm.edu/police/ This report includes campus crime and arrest statistics and other information that complies with the Jeanne Clery Disclosure of Campus Security Policy and Crimes Statistics Act. ILLEGAL DISTRIBUTION OF COPYRIGHTED MATERIALS

West Valley College students are prohibited from using the West Valley-Mission Community College District (WVMCCD) information network to illegally download or share music, video and all other copyrighted intellectual property. West Valley College supports the Higher Education Opportunity Act and Digital Millennium Copyright Act, including efforts to eliminate the illegal distribution of copyrighted material. Under the law, college administrators may be obligated to provide copyright holders with information about users of the WVMCCD information network who have violated the law.

Be aware that illegal forms of downloading and file sharing as well as the unauthorized distribution of copyrighted materials are violations of the law and may subject one to academic sanctions from the college through the college's student conduct and discipline policies (as published in the College Catalog) as well as criminal and civil penalties, including a lawsuit against a student by the Recording Industry Association of America (RIAA).

Learn more at campusdownloading.com. In addition to being illegal, file sharing drains the WVMCCD network's bandwidth, which slows computer connections for students and employees who are using the network for legitimate academic purposes and ultimately costs the college money. There are plenty of easy, affordable ways to get music online legally. To protect their intellectual property, companies have licensed hundreds of digital partners that offer a range of legal downloading options, including download and subscription services, legitimate peer-to-peer services, video-on-demand, podcasts and CD kiosks. For a list of sources that offer legal downloading sites, access: riaa.com

Math Progression Flow Chart

AA/AS

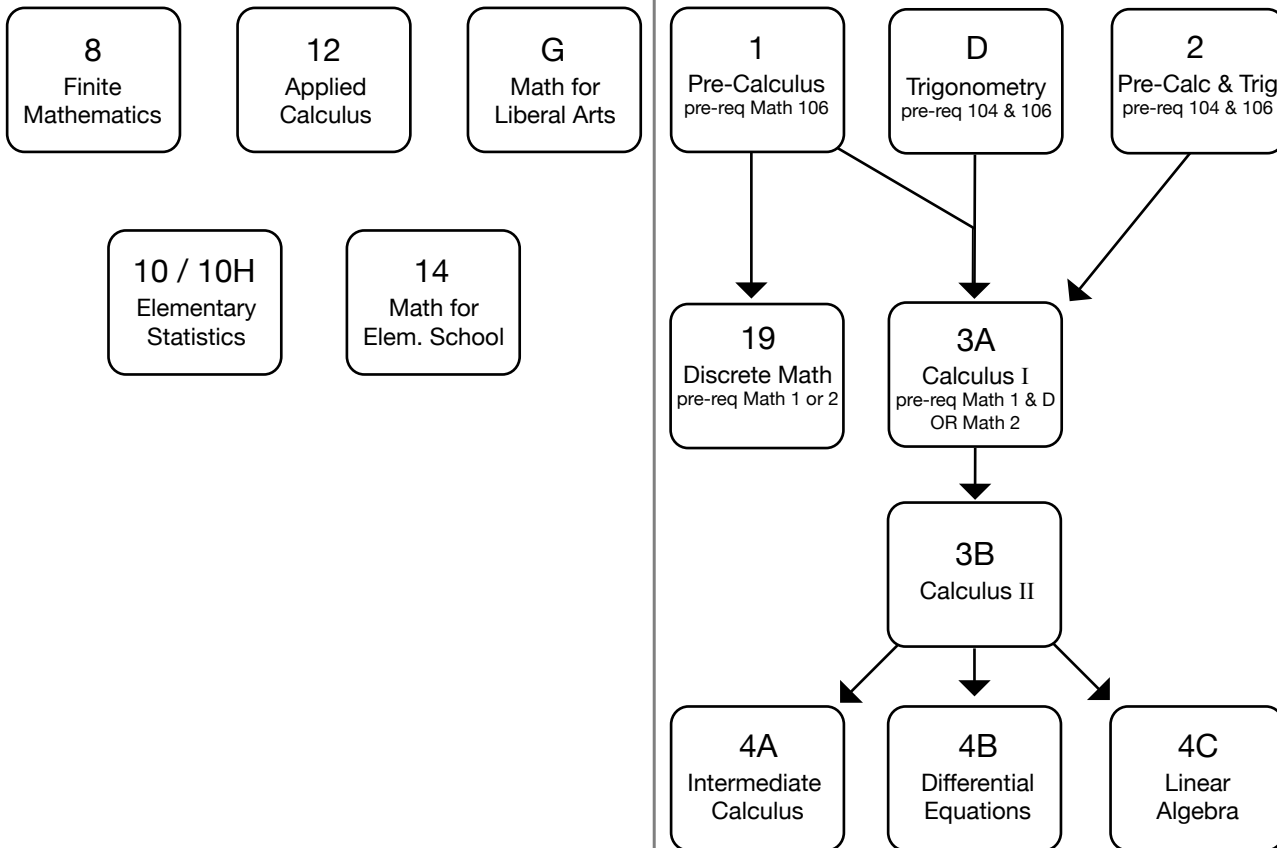

Notes:

- 1) Only take Math 902/902P to review arithmetic or if you have never taken algebra.
- 2) Only take Math 104 if you did not pass two semesters of high school geometry.

Math 106 or higher required for AA/AS

TRANSFER

All transfer level classes below have a pre-requisite of Math 106/106R.

Notes:

- 1) For Business majors, the Math Department recommends taking Math 12 then Math 10, in that order.
- 2) Since transfer requirements vary between UC, CSU and majors, students are strongly recommended to see a Counselor.
- 3) STEM - disciplines of science, technology, engineering, and mathematics.

Notes:

- 1) The Math Department recommends students take Math 1 and then Math D, in that order.
- 2) Math 2 is a reasonable option for strong math students (i.e. A or B students).
- 3) Any course with an arrow extending to another course is a prerequisite for that course.

Be alert.

Be calm.

Be informed.

Stay safe.

What to do in case of an
on-campus emergency —
a fire, an earthquake
or an act of violence.

West Valley
College

1 KNOW WHAT TO DO. Review the emergency guidelines posters placed in classrooms and public areas. More detailed information is available on the District's emergency website www.wvm.edu/emergency. Look in the right side column for Emergency Guidelines and "How To" videos related to earthquakes, evacuations, fires, active shooters and much more.

2 BE PART OF THE SOLUTION. Take a first aid and CPR class that are offered on both campuses. Sign up for FREE Campus Safety training and the next FREE Campus Community Emergency Response Team (C-CERT) course. Sign up at www.wvm.edu/emergency under "Safety Training".

3 Be Aware. Look around you when you enter a building or classroom and ask yourself what resources you have to protect yourself if the ground started shaking (drop, cover and hold on) or you heard gunshots (Lockdown). You can send **anonymous messages** to Campus Police if you are concerned about any person or situation. Email or text to westvalley@tipnow.com or Voicemail 408-414-7908. Email or text to mission@tipnow.com or Voicemail 408-550-7982. If there is an emergency situation IN PROGRESS, call 9-1-1 from a landline or 408-299-3233 from your cell phone.

4 Get notified. WV-M Alert will text and call your cell phone if there is a campus emergency. You are automatically placed in the system when you register for classes. Keep your information up-to-date in the student portal to be sure to receive alert messages. Know EXACTLY what you should do if you receive a message that says "Evacuate" or "Lockdown". They are very different. **It is important that the cell phone number you list is the phone that you have with you when you are on campus.**

5 Keep away. Unless you have a clear reason to be involved or can contribute to the positive outcome of the incident, stay away from the "scene". Take immediate actions to ensure your own safety and the safety of those around you. Follow the directions of the Campus Emergency Response Team.

COMMUNITY EDUCATION offers a number of non-credit classes for our community designed to meet the special needs, interests and capabilities of students who do not desire college unit credit. Although non-credit courses are based on college approved curriculum and taught by qualified instructors, they differ from credit courses in some respects. Noncredit courses are:

- **FREE** of charge
- Open to all students of the community without residency requirements
- Open-entry/open exit and students may register anytime during the school year (provided that space is available)
- There are no tests, quizzes or letter grades given
- Registration is quick and easy through the Community Education department

OLDER ADULT PROGRAM

These courses are free for seniors and offered at numerous senior centers, community centers, residential care homes, and convalescent hospitals year-round. While these courses are offered primarily for senior citizens at locations and times convenient to them, they are open to all persons. The purpose of this program is to enable the older adult to have a better understanding of self-management. In addition, seniors are able to increase their awareness of consumer resources, and to enrich their learning potential by participating in individual development classes.

Classes are provided in two general categories:

Art for Seniors – Art classes ranging from fine arts such as painting and history of art to classes in arts, crafts and art appreciation.

Senior Preparedness – Classes are offered in areas such as current events and consumer resources.

California Nonresident Tuition Exemption

*For Eligible California High School Graduates
(The law passed by the Legislature in 2001 as "AB 540")*

GENERAL INFORMATION

Any student, other than a nonimmigrant alien, who meets all of the following requirements, shall be exempt from paying nonresident tuition at the California Community Colleges, the University of California, and the California State University (all public colleges and universities in California).

- Requirements:
 - The student must have attended a high school (public or private) in California for three or more years.
 - The student must have graduated from a California high school or attained the equivalent prior to the start of the term (for example, passing the GED or California High School Proficiency exam).
 - An alien student who is without lawful immigration status must file an affidavit with the college or university stating that he or she has filed an application to legalize his or her immigration status, or will file an application as soon as he or she is eligible to do so.
 - Students who are nonimmigrants [for example, those who hold F (student) visas, B (visitor) visas, etc.] are not eligible for this exemption.
 - The student must file an exemption request including a signed affidavit with the college that indicates the student has met all applicable conditions described above. Student information obtained in this process is strictly confidential unless disclosure is required under law.
 - Students eligible for this exemption who are transferring to another California public college or university must submit a new request (and documentation if required) to each college under consideration.
 - Nonresident students meeting the criteria will be exempted from the payment of nonresident tuition, but they will *not* be classified as California residents. They continue to be "nonresidents."
-

PROCEDURES FOR REQUESTING THIS EXEMPTION FROM NONRESIDENT TUITION

California Community Colleges: Complete the form on the following page. Submit it to the Admissions Office at the community college where you are enrolled or intend to enroll. You may be required to submit additional documentation. Call the college Admissions Office if you have questions.

University of California: The University of California (UC) system has its own nonresident tuition exemption application and affidavit form, but it will accept the exemption request form used by the California Community Colleges and the California State University. Your campus has established deadlines for submission of exemption requests; however, requests are not to be submitted until you have been admitted to a UC campus. Some students, such as transfer, graduate, and professional students, also must submit their official high school transcripts; check your campus for specific instructions. Once you are determined to be eligible for the exemption, you will continue to receive it as long as you fulfill the eligibility requirements or until the University no longer offers this exemption. The exemption covers the Nonresident Tuition Fee and the Educational Fee differential charged to nonresident students. Applying for the exemption does not alter your responsibility to pay by the campus deadline any nonresident tuition and associated fees that may be due before your eligibility is determined. General information is available at: www.ucop.edu/sas/sfs/Programs_and_Policies/ab540faqs.htm. For campus-specific instructions regarding documentation and deadline dates, contact the campus Office of the Registrar.

California State University: Complete the form on the reverse. Contact the Office of Admissions and Records at the CSU campus where you are enrolled or intend to enroll for instructions on submission, deadline information, and additional requirements. You will be required to submit final high school transcripts and appropriate records of high school graduation or the equivalent, if you have not done so already. Call the Office of Admissions and Records at the campus if you have questions.
