Certain courses require COMPLETION of a prerequisite course or assessment or both. Course prerequisite and/or assessment requirements must be satisfied before beginning T-REG or MyWebServices.

Telephones are located in the Admissions Office for students who do not have a touchtone phone. Computers are also located in the lobby for web registration.

Please use T-REG or MyWebServices at www.westvalley.edu to register. If you have a problem registering by phone/web, please come to the Admissions Office during normal business hours.

Questions Specific to Continuing Students:

How is my registration priority determined?

You will be given a priority based on the number of units you have completed in the District and whether you have completed orientation. Your priority will be sent to email addresses on file or mailed to the address we have on file for you. (Make sure that we have your current address.)

I attended the Spring semester as a non-resident. I have now completed the residency requirement. Will I be able to register using T-REG or MyWebServices?

Yes, but first, you must complete a "Residency Questionnaire" form, available in the Admissions Office.

I missed my priority. Do I have another opportunity to register by T-REG or MyWebServices?

Yes, you can call back M-Th between 8:00am-2:00am, Fri noon-2:00am, Sat. 8:30am-11:00pm and Sun. Noon -2:00am until the day before the class you want starts.

What do I do if I attempt to call right at the beginning of a registration day and I cannot get through to the system?

The first thirty minutes of each registration day are the most congested. You may want to wait until thirty minutes into the period to begin trying to dial in to avoid unnecessary frustration and to facilitate reaching the registration system.

T-REG/MyWebServices tells me I have a hold on my records. How do I take care of it?

Contact the Admissions Office to determine the nature of the hold. The hold needs to be cleared before attempting to use T-REG/MyWebServices again.

What happens if I am in the middle of registration and I make a mistake?

If you enrolled in the wrong class, follow the oral instructions to drop it if using T/REG or MyWebServices.

How do I know that I am registered on T-REG in the classes I selected?

You must press 3 to review your schedule and press 4 to complete your registration. You may call back after you have hung up and listen to your current class schedule.

Do I receive written confirmation that I received the classes I requested through T-REG/MyWebServices?

No, it is your responsibility to go to the web under MyWebServices and print out your current class schedule of classes. You can check your account balance under Make a Payment on MyWebServices. You have ten working days to send your payment to the Admissions and Records Office.

IF YOU HAVE ANY QUESTIONS, CONTACT ADMISSIONS AND RECORDS AT 408-741-2001 OR AT THE WINDOWS IN THE ADMISSIONS AND RECORDS BUILDING.

T-REG/MyWebServices informs me I cannot register for a class because I do not meet the prerequisite. What do I do?

See page 105 of the Schedule of Classes for information about prerequisites. If you believe you are eligible to register for the class you want, contact the Assessment staff in the Counseling Center.

I already registered by T-REG/MyWebServices, but I need to make a change (add or drop a class). Can I make this change using T-REG/MyWebServices?

Yes, you can make changes until the day before the class you want starts after your initial registration period, during T-REG/MyWebServices hours. IT IS YOUR RESPONSIBILITY TO PRINT OUT A COPY OF YOUR SCHEDULE VERIFYING ANY CHANGES YOU HAVE MADE (ADDS, DROPS).

T-REG/MyWebServices informs me that I have attempted to illegally repeat a course. What do I need to do?

You must submit a “Petition to the Academic Appeals Committee” for approval/denial. Petitions are available in the Admissions Office. Please refer to the WVC Catalog for the repeat policy. IF APPROVED, YOU MUST REGISTER IN PERSON.

May I register to audit a course by T-REG/MyWebServices?

No, you must follow the procedure described under audit information on page 14.

What do I do if T-REG/MyWebServices informs me I have an invalid PIN?

Try re-entering the PIN. If it still tells you the PIN is invalid, You will need to go MyWebServices under User Account to What’s my password? (PIN).

Follow the directions on the page to reset your password. If on T-REG, contact the A&R office.

I have applied for Financial Aid. Will T-REG/MyWebServices determine my fees?

Prior to using T-REG/MyWebServices contact the Financial Aid Office if you have any questions about your status. If you are eligible and your Financial Aid has been approved, T-REG/MyWebServices will adjust your fees accordingly.

"Rush" transcripts are available within one hour for $20.00 or 24 hours for $15.00, $5.00 for additional ones ordered at the same time as the rush. Transcripts ordered on Friday will be available on Monday. "Rush" service is not available on the two free transcripts. Requests for other printed documents (such as Grade Reports) are $2.00.

**Transcript Evaluation:**
Transcripts from a foreign country must be evaluated through an outside agency. Cost will vary depending on the agency. See the counseling office for the evaluation forms. **NOTE:** Once a transcript has been evaluated and made part of your record, it can not be removed.

**Other Charges**
Students will be charged a $10.00 fee to order a duplicate degree. Students will be charged a $5.00 fee for a degree or certificate cover. One is given free to the students attending the graduation ceremony.

**General Education Certification Fee**
$4.00 will be charged each time WVC certifies, either partially or completely, a student’s general education pattern. This service is requested by students entering the California State University or University of California system by checking the proper box on the transcript request form. The certification statement becomes part of the student’s transcript.

**Course Schedule Printout Fees**
Schedule printouts are available, free of charge, during the first two weeks of the semester. After that time, there is a $2.00 charge for each printout. These printouts are available in Admissions. Please bring ID with you. Students can print their own on the computer through MyWebServices.

### Physical Education Equipment Deposits
Student athletes are required to pay a $50.00 deposit. This Fee is attached to the course and paid at registration. These fees are returned to the athlete after the season ends, provided all equipment is returned.

### Career Assessment Fee
This fee may be applicable for some counseling courses and charge at registration. See note attached to the course.

### Student Health Fees
A mandatory health fee is charged to all students. The student health fee supports Student Health Services. The health fee is not a replacement for personal health insurance. Students exempted from the health fee are: 1) students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization; 2) students who are attending a community college under an approved apprenticeship training program (Ed Code Section 76355.)

### Student Lab Fees
A student may be required to pay specific lab fees for individual courses where materials are consumed as part of the lab. Lab fees are not refundable. Lab fees are paid at registration.

### Returned Check Fee
The WVC fee for processing checks returned by a bank due to insufficient funds, stopped payment or closed accounts is $15.00 per check in addition to the original amount and may go as high as $50.00, depending upon the response time on the check clearance. In addition, a delinquency will be placed on the student’s records, registration will not be allowed and transcripts will not be issued. Passing of N.S.F., stop payment, and account closed checks may be considered a criminal offense and may be referred to the District Attorney’s Office for prosecution.

### Enrollment Fee Deferments
Students who have a financial hardship may request a delay in making total payment of their registration fees. Students requesting deferments can ONLY register in person. Students desiring to use this special service should pick up written details and instructions in the Admission & Records building. Students who do not make the final payment by the deadline will have a debt and will not be allowed to register the following semester until it is cleared.

### Fees and Tuition Refund Policy and Processing Charge
Parking permits must be returned to any window in the Admissions and Records building to receive a refund. Parking permit refunds must be requested by Sept. 11, 2009. **FEE REFUNDS** will be processed automatically. Refunds for students who drop a class or withdraw from all classes by Sept. 11, 2009 deadline (for full semester classes starting the week of Aug 31, 2009) will be calculated by the computer system. Checks will be mailed to the address on file with the Admissions Office. If you have a new address, please complete an address change form in the Admissions Office at the time of withdrawal. The $3.00 Telephone or Web fee is non-refundable.

Refunds will not be issued until after the term begins and the Add deadline has passed. All Visa/Master card transactions will be refunded as a credit on your account. Payments made by check or cash will be refunded by check and mailed to the address on file in the Admissions and Records Office.

**Nonresident Tuition Refund.** The tuition refund schedule for nonresident students withdrawing from enrollment or reducing their programs will be as follows:

- **Full Refund** – Before or during the first and second weeks of the semester.
- **Two-Thrids Refund** – During the third and fourth weeks of the semester.
- **One-Third Refund** – During the fifth and sixth weeks of the semester.

Scholarships

West Valley College scholarships are designed to recognize accomplishments and to provide tangible encouragement to students who have demonstrated academic achievement, leadership, community service, and financial need. Funds are donated from a joint investment of contributions from the private sector and from West Valley College employees. Applications are available in the Financial Aid Office in mid November of each year. Awards are announced in late spring, to be awarded for the following school year.

Outside Scholarships: Many foundations, professional associations, religious and ethnic organizations, and corporations offer grants and scholarships. These awards are based on a wide variety of qualifications including, financial need, academic achievement, religious affiliation, ethnicity, and special interests. These scholarships are announced on the bulletin board at the Financial Aid Office.

Return of Title IV Funds

A student may owe money back to the Department of Education if he/she received federal financial aid and then withdrew before completing 60% of the semester or completed zero units at the end of the term. The federal programs include: Pell Grant, Academic Competitiveness Grant (ACG), Federal Supplemental Educational Opportunity Grant (FSEOG), and the Federal Family Educational Loan Program (FFELP). The College is required to determine the amount owed and to bill the student. The student has 45 days to respond. If the student fails to pay the debt, the College is required to notify the National Student Loan Data Service (NSLDS) and at that time, the student becomes ineligible for any further financial aid consideration, regardless of which school the student is attending, until the debt is paid in full.

Veteran’s Educational Benefits

New veterans should contact the Veterans Office, located in the Admission and Records building, at least one and one-half month prior to the first day of school in order to request advance pay. An early date will avoid delay in receipt of the first payment. You must bring a copy of your DD214 or 2384 (Certificate of Eligibility) and any documentation relating to spouse and/or dependents. Returning veterans should allow the same amount of time for their requests. Continuing veterans should check with the Veterans Office as soon as they register each semester.

CHANGING YOUR CLASS SCHEDULE

Before Instruction

Students who have registered may make changes to their schedule. Students may use T-REG/WebServices to make changes through the day before your class starts.

Adding Classes After They Are Closed

You must attend a class in order to add. If the instructor can accept any additional students, he will give you a four-digit authorization code (ADD CODE). You will need to process this code over MyWebServices through the registration process or over T-REG 408-741-8734 system to ADD the class. You must use this code immediately because it will become invalid if the census date for the class has passed. Payments can be made by credit card (Master card or Visa), over T-REG or on the WEB. It is your responsibility to go to the WEB to MyWebServices and print out your current schedule verifying the ADD was processed. The deadline to process all ADDS is September 11, 2009.

It is your responsibility to meet all pre and co-requisite requirements. In addition, it is your responsibility to drop the course you added if you no longer want it. Be sure to check deadline dates.

Dropping Classes After Instruction

Before Instruction: You can use T-REG/Web to drop your classes before the term begins.

NOTE: For short-term courses that meet less than 5 class meetings, you must drop before the class begins to not get a “W” on your record and receive a refund.

After instruction: You can use T-REG/Web to drop your classes. The deadline to drop full semester-length classes without a “W” and receive a refund is September 11, 2009. You may still drop without a “W” until September 18, 2009 but NO REFUND will be issued. The deadline to drop semester-length classes with a “W” is November 20, 2009. NOTE: Short-term classes meeting 5 times or more have 10% of total days of class session to drop with a refund. They have 20% of total days of class session to drop without a “W” and 75% of total days of class session to drop with a “W” on the record. After the determined last day to drop, a letter grade other than a “W” will be posted.

Instructor’s signature is not necessary to drop a class. It is necessary, however, to have the signature of the laboratory attendant when dropping chemistry (except Chem 50) and photography classes, and to get a clearance from the Physical Education Department when dropping a P.E. class if you have been issued a locker.

Instructors MAY drop students for failure to attend the first meeting of the class. You should notify the instructor if you are unable to attend the first class meeting.

DO NOT ASSUME THAT YOU WILL BE “DROPPED” FROM A CLASS. IT IS THE STUDENT’S RESPONSIBILITY TO DROP ALL UNWANTED CLASSES. No enrollment fee refunds will be made for classes dropped after the published refund deadline in current Schedule of Classes (see academic calendar).

Audit Information

West Valley College has a student audit policy. Students may not sign up to audit until the class begins. Students need to obtain a “Request to Audit” form from the Division Office and go to the first class meeting. The instructor will sign the form after determining if the student qualifies as an auditing student and if the class is one which may be audited. The signed Request to Audit form is then taken to Admissions and Records and fees are paid. The fee for auditing is $15 per unit.

Pass/No Pass Option

Not all classes are available on a pass/no pass or grade option. Check the West Valley College Catalog to determine if your class offers this option. If it does, notify your instructor that you choose the pass/no pass option. This must be done before one third of the class (six weeks for a semester-length class) has passed. If you do not notify your instructor, you will automatically receive a letter grade.
To find the final exam for a day class:
1. Determine the GROUP of your class (classes are grouped according to the days they meet)
2. Then look below the group to find the START TIME of your class

INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM

The Intersegmental General Education Transfer Curriculum (IGETC) consists of a series of courses that community college students can use to satisfy lower-division general education requirements at any CSU or UC campus.

IGETC certification can be either full or partial. See a counselor for details. Certification of IGETC will permit a student to transfer from a community college to a campus in either the California State University (CSU) or the University of California (UC) system without the need, after transfer, to take additional lower-division general education courses to satisfy campus general education requirements. A minimum grade of “C” in each course is required.

Completion of the IGETC is not a requirement for transfer to a CSU or UC, nor is it the only way to fulfill the lower-division general education of the CSU or UC prior to transfer. Students may find it advantageous instead to take courses fulfilling CSU’s general education requirements or those of a particular UC campus.

If no answer is provided by the applicant regarding the release of directory information, the College will assume that permission IS granted for the release of any information. It is the responsibility of the students to inform the Vice President of Student Services of their choice concerning release of information EVERY semester. Challenges: Prerequisites, Corequisites or Other Limitations on Enrollment
You have the right to challenge prerequisites or corequisites or other limitations on enrollment for the following reasons:
1) You believe the pre- or corequisite has not been made reasonably available.
2) You believe that the pre- or corequisite was established in violation of regulation or in violation of district-approved policies and processes. (Supporting documentation must be provided.)
3) You believe that the pre- or corequisite or limitation on enrollment is unlawfully discriminatory or is being applied in an unlawfully discriminatory manner. (Supporting documentation must be provided.)
4) You believe you have the knowledge or ability to succeed in the course despite not meeting the prerequisite. (Supporting documentation must be provided.)
5) Enrollment in the course has been limited to a special group of students, and there are no other courses which would fulfill the requirement. You believe you would be delayed by a semester or more in attaining the degree or certificate specified in your educational plan. (Supporting documentation, including a copy of your educational plan, must be provided.)
6) The pre- or corequisite was established to protect health and safety and despite the fact that you do not meet the pre- or corequisite, you believe you are able to demonstrate that you do not pose a threat to yourself or others. (Evidence must be provided.)
To challenge a pre- or corequisite or other limitations on enrollment, contact Admissions for a challenge form and specific instructions. Submit the completed form and any required supporting documentation to Admissions. Your request will be evaluated by a challenge review committee (within five instructional days) and a written response will be mailed to you. Your fees will be automatically refunded.

Complaints
If you feel that assessment, orientation, counseling or any other matriculation procedure is being applied in a discriminatory manner, you may file a complaint. Refer to the Grievance Process located in the “rights and responsibilities” section of the current College Catalog or contact the Director of Human Resources and Employee Relations in the Human Resources Office.

Academic Appeals Committee
The College maintains an Academic Appeals Committee whose purpose is to provide an avenue of appeal for students seeking relief from the rules and regulations of the College pertaining to admission, readmission, residency, tuition or fees, degree or certificate standing, academic standing, grade extensions, and extensions of deadlines.
Prior to petitioning the Academic Appeals Committee, students must first attempt to resolve their problem or concern directly with the appropriate faculty member or Instructional Dean.

Grade appeals are handled only by the instructor and then appealed first to the Department Chair; second, Division Chair; and finally, Vice President of Instruction.

Petitions for relief from academic rules and regulations must be submitted in writing on forms available in the Admissions Office. Appeals of the Committee's decisions may be submitted to the Committee for reconsideration if a student has additional EXTENUATING CIRCUMSTANCES that were not included in the original petition.

Decisions of the Academic Appeals Committee are final and binding, but may be appealed to the College President in writing by the student within five (5) instructional days of reaffirmation of the Committee's decision.

Changes in Rules and Policies
The West Valley-Mission Community College District and West Valley College have made every reasonable effort to determine that everything in this class schedule is accurate. Courses and programs offered, together with other matters contained herein, are subject to change without notice by the Administration of the West Valley-Mission Community College District or West Valley College for reasons related to student enrollment, level of financial support, or for any other reason, at the discretion of the District and the College. The District and College further reserve the right to add, amend, or repeal any of their rules, regulations, policies and procedures.
INFORMATION DISCLOSURE

The Family Educational Rights and Privacy Act (FERPA) and District policy afford students certain rights with respect to their education records. They are:

1) The right to inspect and review the student’s education records within 5 days of the day the College receives a request for access.

Students should submit to the Registrar, or other appropriate official, written requests that identify the records they wish to inspect. The College official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the College to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2) The right to request the amendment of the student’s education records that the student believes are inaccurate or misleading.

Students may ask the College to amend a record that they believe is inaccurate or misleading. They should write the College official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for such amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3) The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the College discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by West Valley College to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
600 Independence Avenue

California Nonresident Tuition Exemption
For Eligible California High School Graduates
(The law passed by the Legislature in 2001 as “AB 540”)

GENERAL INFORMATION

Any student, other than a nonimmigrant alien, who meets all of the following requirements, shall be exempt from paying nonresident tuition at the California Community Colleges, the University of California, and the California State University (all public colleges and universities in California).

- Requirements:
  - The student must have attended a high school (public or private) in California for three or more years.
  - The student must have graduated from a California high school or attained the equivalent prior to the start of the term (for example, passing the GED or California High School Proficiency exam).
  - An alien student who is without lawful immigration status must file an affidavit with the college or university stating that he or she has filed an application to legalize his or her immigration status, or will file an application as soon as he or she is eligible to do so.

- Students who are nonimmigrants [for example, those who hold F (student) visas, B (visitor) visas, etc.] are not eligible for this exemption.

- The student must file an exemption request including a signed affidavit with the college that indicates the student has met all applicable conditions described above. Student information obtained in this process is strictly confidential unless disclosure is required under law.

- Students eligible for this exemption who are transferring to another California public college or university must submit a new request (and documentation if required) to each college under consideration.

- Nonresident students meeting the criteria will be exempted from the payment of nonresident tuition, but they will not be classified as California residents. They continue to be “nonresidents.”

- AB540 does not provide student financial aid eligibility for undocumented alien students. These students remain ineligible for state and federal financial aid.

PROCEDURES FOR REQUESTING THIS EXEMPTION FROM NONRESIDENT TUITION

California Community Colleges: Complete the form on the reverse. Submit it to the Admissions Office at the community college where you are enrolled or intend to enroll. You may be required to submit additional documentation. Call the college Admissions Office if you have questions.

University of California: The University of California (UC) system has its own nonresident tuition exemption application and affidavit form, but it will accept the exemption request form used by the California Community Colleges and the California State University. Your campus has established deadlines for submission of exemption requests; however, requests are not to be submitted until you have been admitted to a UC campus. Some students, such as transfer, graduate, and professional students, also must submit their official high school transcripts; check your campus for specific instructions. Once you are determined to be eligible for the exemption, you will continue to receive it as long as you fulfill the eligibility requirements or until the University no longer offers this exemption. The exemption covers the Nonresident Tuition Fee and the Educational Fee differential charged to nonresident students. Applying for the exemption does not alter your responsibility to pay by the campus deadline any nonresident tuition and associated fees that may be due before your eligibility is determined. General information is available at: www.ucop.edu/sas/sfs/Programs_and_Policies/ab540faqs.htm. For campus-specific instructions regarding documentation and deadline dates, contact the campus Office of the Registrar.

California State University: Complete the form on the reverse. Contact the Office of Admissions and Records at the CSU campus where you are enrolled or intend to enroll for instructions on submission, deadline information, and additional requirements. You will be required to submit final high school transcripts and appropriate records of high school graduation or the equivalent, if you have not done so already. Call the Office of Admissions and Records at the campus if you have questions.

Revised October 2003
THE DISTRICT POLICE

The West Valley/Mission Community District strives to maintain a safe environment for students, staff, and visitors to pursue educational objectives. However, a truly safe and secure campus can only be achieved with through cooperation of all members of our College community.

Throughout the academic year, the District Police and Health Services in conjunction with Student Services present informational programs concerning the awareness and prevention of sexual assault. These programs consist of guest speakers, films and printed materials. To obtain further information, please contact either the District Police, Health Services or Student Services. Counseling assistance is available through Health Services and the Counseling Department.

The College will vigorously prosecute and discipline persons identified as responsible for sexual assaults. In addition to criminal prosecution, the College may impose discipline against students, student organizations or College faculty or staff identified as committing or participating in sexual assaults. College discipline includes: expulsion from the College; suspension for a specific time period; or probation for a specific time period.

Discipline proceedings involving students will be processed through the office of the Vice President of Student Services. Discipline proceedings involving faculty or staff members will be processed through the District Human Resources office. Both the accuser and the accused are entitled to the same opportunities to have others present during a campus disciplinary proceeding. The accuser and the accused shall be informed of the outcome of any campus proceeding alleging a sexual assault.

Campus facilities are generally open Monday - Friday, 8am - 5pm, and during other hours as special events, extra curricular and as classes dictate.

REPORTING SEXUAL ASSAULT

As soon as possible, the victim should report incidents of sexual assault, including date or acquaintance rape to the District Police Department, the local police (if the victim is unable to make contact with the District Police), or a College faculty or staff member who can aid in contacting the proper authorities. The Counseling Department and Health Services can also help in contacting the proper authorities. The victim should make every attempt to preserve any physical evidence of the assault. This may include not showering or bathing, not clearing the scene of the incident, and not disposing of any damaged clothing or other items. The District Police will immediately initiate a criminal investigation into on-campus sexual assaults.

The victim will be given information on counseling and support groups. If the victim wishes to change an academic schedule, the appropriate steps will be taken to accommodate the victim to the fullest extent possible. The College also encourages persons reporting to seek the support and assistance of friends or family when needed, in presenting their concerns. Santa Clara County offers 24 hour counseling for victims of crimes. The Santa Clara County Valley Rape Crisis Center may be reached at (408) 287-3000.

SAFETY ESCORTS

There is an escort service at both campuses available from 5:00 pm to 10:00 pm Monday through Thursday. Escorts can be reached by dialing 2092 on campus or 741-2092 from a non-campus line. Times must be arranged in advance so the escorts can meet students at their classes.

The District Police will provide you with assistance in unlocking your vehicle, providing jumper cables, or summoning a tow truck or locksmith to assist you. We cannot attempt to open vehicles which have electric locks or windows. We will also assist family members in contacting students who are in class if there is a serious family emergency.

CRIME PREVENTION

The District Police Department provides a number of services to help educate the campus community in how to avoid being a victim of a crime. Printed information is available at the West Valley Police Department and at the Mission College Police Desk on various topics including Sexual Assaults, Violence, Victim/Offender Reduction, Battered Women, Home Security, Crime Victims’ Rights, Robbery Prevention, Car Crime Prevention, and How to Guard Against Attack In and Around Your Car. The police personnel are always available to answer questions and make suggestions regarding campus security issues. The Crime Prevention Officer publishes a periodic newsletter which updates the students and faculty and staff on various aspects of campus safety and current concerns and he/she is also available to make special presentations by appointment.

The campus community will be advised of any situations/incidents which pose a threat by the use of e-mail and the posting of bulletins. The sooner the police are called the better our chance of solving the crime. If you happen to see something suspicious, do not hesitate to call the police with a description of the persons, their vehicle and what they are doing. This may save a fellow student or staff member from suffering the frustration associated with being a victim. Remember it is a team effort. The police are here to serve and assist you, and we need your help to maintain a safe campus that is conducive to learning.
