ASSESSMENT AND ORIENTATION

New students are expected to complete assessment, college orientation, and educational planning BEFORE registering for classes. Students who complete assessment and attend an orientation will receive counseling assistance when scheduling their classes.

Assessment is the process to evaluate skills in reading, writing, math, and English as a Second Language (ESL). After completing assessment, a student will receive counseling assistance in the interpretation of assessment results and selection of courses.

Students exempt from Assessment:

- Anyone who has completed Advanced Placement in English Literature, English Language or Mathematics AB and/ or BC, Statistics.
- Students who are only taking classes that do not require English or math as prerequisites or for personal enrichment.
- Students who have completed an Associate's Degree or higher from an accredited American college or university.
- Students who have completed English, math, and/or reading at another college or university.

Exempt Pre or Corequisite Clearance Process

Clearance of a pre or corequisite requires documentation that verifies previous course completion or skill level attained to register for a specific class. A "C" or better grade is required to clear pre or corequisites. Refer to page 82.

Method A: Bring your unofficial transcript/s to the Assessment Desk in the Counseling Center - Appointment is not required. Method B: Fax your unofficial transcript to (408) 741-4076 and include your WVC student ID number, class requested, and phone number. Method C: Scan and e-mail your unofficial transcript to jeremy.sias@wvm.edu our assessment specialist and include WVC ID number and class requested.

Blocked Registration: If you are blocked from registering for a class because of a prerequisite requirement, follow one of the three methods listed. Note: Unofficial transcripts are used for clearing prerequisites. Official transcripts are required and can be brought to the Counseling Center to complete a WVC evaluation of general education courses completed.

OPEN ENROLLMENT, ENROLLMENT PRIORITIES, & REGISTRATION
• All courses, course sections, and classes of the District shall be open for enrollment to any person who has been admitted to West Valley or Mission Colleges. Enrollment may be subject to any priority system that has been established. Enrollment may also be limited to students meeting properly validated prerequisites and corequisites, or due to other practical considerations such as exemptions set out in statute or regulation.
• The Chancellor shall assure that this policy is published in the College catalogs and schedules of classes. The Chancellor shall establish procedures defining enrollment priorities, limitations, and processes for student challenge, which shall comply with California Code of Regulations, Title 5.
• Prior to the beginning of each semester, the Colleges shall jointly establish registration dates and procedures that shall appear in appropriate College publications.
• The District shall document all course enrollment, attendance and disenrollment information pursuant to California Code of Regulations, Title 5.
Illegal Distribution of Copyrighted Materials

West Valley College students are prohibited from using the West Valley-Mission Community College District (WVMCCD) information network to illegally download or share music, video and all other copyrighted intellectual property. West Valley College supports the Higher Education Opportunity Act and Digital Millennium Copyright Act, including efforts to eliminate the illegal distribution of copyrighted material. Under the law, college administrators may be obligated to provide copyright holders with information about users of the WVMCCD information network who have violated the law.

Be aware that illegal forms of downloading and file sharing as well as the unauthorized distribution of copyrighted materials are violations of the law and may subject you to academic sanctions from the college through the college's student conduct and discipline policies (as published in the College Catalog) as well as criminal and civil penalties, including a lawsuit against you by the Recording Industry Association of America (RIAA).

Learn more at campusdownloading.com. In addition to being illegal, file sharing drains the WVMCCD network's bandwidth, which slows computer connections for students and employees who are using the network for legitimate academic purposes and ultimately costs the college money. There are plenty of easy, affordable ways to get music online legally. To protect their intellectual property, companies have licensed hundreds of digital partners that offer a range of legal downloading options, including download and subscription services, legitimate peer-to-peer services, video-on-demand, podcasts and CD kiosks. For a list of sources that offer legal downloading sites, access: riaa.com

Pass/No Pass Option

Not all classes are available on a pass/no pass or grade option. Check the West Valley College Catalog to determine if your class offers this option. If it does, notify your instructor that you choose the pass/no pass option. This must be done before one third of the class (six weeks for a semester-length class) has passed. If you do not notify your instructor, you will automatically receive a letter grade.

Special Admission of High School Students

This program is a cooperative venture between West Valley College and the local high schools. Under this program students may attend West Valley College as a special part-time student. Students may take college courses to supplement their high school education programs. Basic skills courses are NOT available to concurrently enrolled students. This program is designed for students who can benefit from advanced academic and vocational course. The high school principal (or designee) determines which students qualify to participate by completing the Concurrent Enrollment Form. This form identifies the specific college courses that may be taken. Students can take one class in the winter and one class in the spring. PE classes are no longer permitted.

The special part-time high school student enrolled in approved college courses may receive high school and college credit. Some high schools may not allow high school credit.

Concurrently Enrolled Students

Special part-time high school students who are at least 16 years and have completed the 10th grade by the first day of the Spring semester or Winter session will need to follow these simple steps:

- Complete an admissions application (not an online application)
- Complete a concurrent enrollment form (obtained online at westvalley.edu/apply/concurrent.html or from a high school counselor)
- Get signatures from principal or counselor
- Get signatures from a parent
- Complete Youth Emergency Card
- Beginning Thursday, December 1, submit high school transcripts along with completed paper work to the Admissions and Records Office - registration appointment will be issued.
- Show proof of completed prerequisites
- Complete assessment (English and Math, if applicable)
- Register in person for desired class during registration appointment.
- Purchase parking permits (if applicable) online at westvalley.edu/ select online services.
- Visit the Viking bookstore to purchase required textbooks
- Questions? Call (408) 741-2672
Payment Information

Fees may be charged to your credit card during the Web process. Payments by mail may be made by check, money order or cashier’s check. Please write student’s College ID number on the front. DO NOT MAIL CASH. Please send one check per student. Send all payments to:

West Valley College — Admissions Office
14000 Fruitvale Avenue
Saratoga, CA  95070-5698

You will be dropped from all classes if payment is not received by the due date. Do not wait to be billed.

Refund Policies

Most refund requests are processed within a two week window of the request. The first set of refunds occurs the week of February 13, which is after the add/drop window. West Valley College partners with Higher One, a financial services company focused solely on higher education, to bring a new method for delivering refunds to students. You will be able to use the Higher One card or choose your preferred method of payment. This new method is designed to provide you with choices when it comes to receiving your financial aid or school refunds including the preferred “Easy Refund” method. Easy Refund is the fastest and easiest way to gain access to your refund money on the same day West Valley College releases it.

If you pay with a credit card, your card will be refunded. If you pay by cash or check, you can choose the Higher One card or your preferred method of payment.

Please be aware that new registration activity may create a new balance which is due and payable at the time of activity.

• If your class was cancelled, you will automatically receive a refund.

• The $3 web-reg fee is non-refundable.

• Parking permits must be returned to the A & R window by the last day to add a semester length class.

Financial Aid students who withdraw from college prior to completing 60% or more of scheduled class meetings in a semester may owe money back to the federal government. Check with the Financial Aid Office immediately.

• Non-resident Tuition refund schedule will be as follows: (Eligible students must submit a petition through A&R to ensure that appropriate fees and refunds are processed.)

Course Material Fees

Some courses require a mandatory instructional materials fee or an optional fee for purposes of materials needed to assist in learning or the achieving the objectives of the course. Education Code section 76365 permits colleges to require students to provide various types of instructional materials and enables colleges to sell such materials to students who wish to purchase the required materials. The law provides that students can only be required to provide materials which are of continuing value to the student outside of the classroom setting. The State Chancellor’s Office has determined that such materials include, but are not limited to textbooks, tools, equipment, clothing, and those materials which are necessary for a student’s vocational training and employment. The regulations further provide that “instructional and other materials” means tangible personal property that is owned or primarily controlled by the student. The definition of “tangible personal property” has been expanded to include electronic data that the student may access during the class and store for personal use after the class in a manner comparable to the use available during the class (see title 5, § 59402). These title 5 sections specifically apply to both credit and non-credit courses. “Required instructional and other materials” are materials which the student must procure or possess as a condition of registration, enrollment, or entry into a class; or any material which is necessary to achieve the required objectives of a course. Finally, the regulations specify that the material must not be solely or exclusively available from the district. A material will not be considered to be solely or exclusively available from the district if it is provided to the student at the district’s actual cost and there are health and safety reasons for the district being the provider, or if the district is providing the material cheaper than it is available elsewhere. For more information on courses that charge these fees, please go to: westvalley.edu/admissions/otherfees.html

Full-refund – Before or during the first two weeks of the semester
Two-thirds refund - During the third and fourth weeks of the semester
One-third refund – During the fifth and sixth weeks of the semester
No non-resident refund will be granted for classes dropped after the sixth week of the semester.

Returned Check Fee

The WVC fee for processing checks returned by a bank due to insufficient funds, stopped payment or closed accounts is $15.00 per check in addition to the original amount and may go as high as $50.00, depending upon the response time on the check clearance. In addition, a delinquency will be placed on the student’s records, registration will not be allowed and transcripts will not be issued. Passing of N.S.F., stop payment, and account closed checks may be considered a criminal offense and may be referred to the District Attorney’s Office for prosecution.

Payment Policy

Students registering for Winter 2012 and Spring 2012 classes, have a specific time period to pay for their courses. Students will be automatically dropped for non-payment of fees.

Welcome to West Valley College! Your success is our #1 goal.

Assessment Testing/Placement Testing - Start with college placement testing for English, math and reading. Having your assessment will help you develop a schedule that meets your needs AND makes it more likely for you to be successful. There are many sessions available. See page 10, check the online schedule at westvalley.edu or call the Assessment Office (located in the Counseling building) at (408) 741-2035 or 741-2009.

NOTE: There are also several sessions to assess ESL (English as a Second Language) students.

To clear a prerequisite for a class: If you have completed the previous college level course at another college, have placement results from another college, or applicable AP scores, you can take that information to the Assessment Office to clear the prerequisite so you can proceed to a successful Registration. Call (408) 741-2035 if there are specific questions.

Orientation – Orientation is your opportunity to learn about the college experience and to develop an Educational Plan to help you reach your goals. You have various Orientation options: a 1/2 unit Orientation (Counts as a seminar credit), in-class workshops for specific needs, or an online session. During this experience, you will meet with a counselor to help develop your Educational Plan based on placement test results, goals and other life variables.

NOTE: There are special Orientations for ESL (English as a Second Language) learners. See page 10 for details.

After your Orientation, you can then register for your classes using WVCPortal, or in person in the Admissions and Records Office. Students who have completed an AA/AS degree or higher, are primarily taking classes at another institution, or taking classes for personal enrichment, are not required to complete Assessment or Orientation; however, prerequisite regulations are still applicable.

3. The class I want to take is full. Can I get on a Wait List?

Most departments have Wait Lists for classes. Prior to the start of the class, you may add yourself to a Wait List. You can add yourself to as many sections of the class as you want but the Wait List system will only add you if you do not have a schedule conflict and if you have met the course prerequisites. There is no fee for being on the Wait List; you will be charged the enrollment fees when you are added to the class. Please continue checking WVCPortal and look for any e-mails letting you that you have been moved from the Wait List to the class registration list. Managing your class schedule is your responsibility.

After the class begins, and through last day to add classes (listed in the Schedule of Classes), you can speak with an individual instructor and see if he/she will add you to the class. If so, you will get a 4 digit Add Code to either use over the web or, if you need assistance, come to the Admissions and Records Bldg. for processing. High school students are not placed on Wait Lists. You must use the Add Code on or before the last day to add.

If, for some verifiable reason, you were not able to add in the class before the last day to add, you must complete a Petition to Late Add available in A&R or through a Division Office. You will be expected to pay for your classes at the time of registration.

4. How do I find out what classes I am registered for?

Check your Schedule through WVCPortal at westvalley.edu. It is easy to do and a good strategy to verify your schedule. Log in using your student ID and password; then go to My Current Class Schedule under Academic Profile. Once your class Schedule is finalized, print out a copy to help you find your classes. If you need help, bring a photo ID to Admissions and Records. It is your responsibility to drop your classes if your schedule or circumstances change. If you have registered for classes and did not attend, you may be liable for fees unless you drop within the established drop and refund deadlines. Varied drop deadlines apply for short-term classes. Confirm your schedule through WVCPortal.

5. What are the residency requirements for West Valley College?

We welcome all students who are at least one of the following: 18 years or older, have a high school diploma, passed the State Proficiency Test, have a G.E.D., or are considered a special admissions high school (Concurrent Enrollment) student with permission.

West Valley College scholarships are designed to recognize accomplishments and to provide tangible encouragement to students who have demonstrated academic achievement, leadership, community service, and financial need. Funds are donated from a joint investment of contributions from the private sector and from West Valley College employees. The application process starts in December. Awards are announced in late spring, and are awarded for the following school year.

Outside Scholarships: Many foundations, professional associations, religious and ethnic organizations, and corporations offer grants and scholarships. These awards are based on a wide variety of qualifications including, financial need, academic achievement, religious affiliation, ethnicity, and special interests. These scholarships are announced on the bulletin board at the Financial Aid Office or visit our website at: westvalley.edu/financialaid/scholarships

**Steps to Apply for Financial Aid**

Apply for financial aid with the following process.

1. Obtain a U.S. Department of Education PIN at: pin.ed.gov. This PIN will be your electronic signature when completing your online FAFSA. For dependent students, one parent needs a PIN.
2. Complete the Free Application for Federal Student Aid (FAFSA). Apply online at: fafsa.ed.gov. Make sure to list the West Valley College school code (001338) on your application to ensure that we receive a copy of your application data.

4. A notification of official financial aid awards will be sent upon completion of your Financial Aid file.
5. If you are interested in participating in Federal Work-Study, stop by the Financial Aid Office to complete a Federal Work-Study Agreement form.
6. If you wish to apply for a student loan, stop by the Financial Aid Office to sign up for a Loan Entrance Session.

**Special Circumstances:**

If you didn’t initially qualify for all the aid you need, be aware that some students have special circumstances that make them eligible, or increase their award. These may include:
- Changes in dependency status or family size
- Recent unemployment
- Unusually high medical bills or child care costs
- Other situations that may impact the family’s ability to pay

Our Financial Aid Director must assess your situation to determine your eligibility. Stop by the Financial Aid Office to request a “Professional Judgment” packet.

**Financial Aid Application Deadlines**

With the exception of the Cal Grant application deadlines listed below, financial aid applications are accepted throughout the 2011-2012 school year with a final filing deadline of June 15, 2012. Students are encouraged to apply as soon as possible. Some awards are subject to availability of funds.

- To ensure priority consideration for Cal Grant eligibility for 2012-2013 academic year, file your FAFSA 2012-2013 application and GPA Verification between January 1, 2012 and March 2, 2012.
- If you will be a community college student during the 2012-2013 school year, you will be considered in a second round of Cal Grant awards by filing your FAFSA by September 2, 2012.
Return of Title IV Funds
A student may owe money back to the Department of Education if he/she received federal financial aid and then withdrew before completing 60% of the semester or completed zero units at the end of the term. The federal programs include: Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), and the Federal Direct Loan Program. The College is required to determine the amount owed and to bill the student. The student has 45 days to respond. If the student fails to pay the debt, the College is required to notify the National Student Loan Data Service (NSLDS) and at that time, the student becomes ineligible for any further financial aid consideration, regardless of which school the student is attending, until the debt is paid in full.

Veteran’s Educational Benefits
New veterans should visit our website: westvalley.edu/veterans or contact the Veterans Office, located in the Admission and Records building, at least six weeks prior to the first day of school. Processing paperwork early can help avoid delay in receipt of first payment. You must bring a copy of your DD214 or 2384 (NOBE) or Certificate of Eligibility for Ch. 33 (post 911) and any documentation relating to spouse and/or dependents. Returning veterans should allow the same amount of time for their requests. Continuing veterans should check with the Veterans Office as soon as they register each semester.

PARKING REGULATIONS
A valid student or staff parking permit is required to park on campus. Student and Staff parking permit requirements are enforced Monday through Saturday, between 7:00am and 10:00pm. Parking areas specifically marked for disabled parking, red zones, loading zones, time zones and other restricted areas are enforced every day, 24-hours a day.

Purchase Parking Permits Online
You may purchase semester parking permits online at westvalley.edu from any computer. However, by using the computers in the Admissions and Records lobby you will not be assessed the convenience fee.

Please have the vehicle make, model, color and license plate number available when you place your order. Permits are $40 a semester (price subject to change).

• If you are a Financial Aid student receiving a Board of Governors Waiver, you can purchase your permit online, but you must enter your student ID number when prompted to receive the discounted price. BOGW waives a portion of the parking fee.

• Every purchase of a permit online that is currently valid for use (at the time of purchase) will include a temporary permit that can be printed and used immediately. You will receive your permit in the mail within 10 business days. To be properly placed, it must be affixed to the inside of the front windshield, bottom corner, driver’s side. Improper or non-display of a permit will result in a parking citation.

• Stolen permits should be immediately reported to the District Police Department by calling 408-855-5435 or by visiting the Police business office at West Valley College. Lost permits will not be replaced free of charge, however, a replacement permit may be purchased at the original purchase price. BOGW waives a portion of the parking fee.

• Daily permits may be purchased at any of the daily permit dispensers located in each of the student parking lots. All daily parking permit machines will accept $1.00 bills, quarters, dimes and nickels. Daily permits must be displayed on the front dashboard and the expiration date or permit number must be visible from the outside of the vehicle.

• Purchase and/or possession of a permit does not authorize parking on campus. It is the responsibility of the driver to properly park the vehicle and display a valid and authorized permit. Vehicles with car covers are no exception. Failure to properly display a permit will result in a citation.

• Visitor parking (40 minute limit) is available, free of charge, in designated spaces located in parking lot 5.

• Motorcycles/motor scooters are prohibited from parking in spaces designated for four-wheel vehicles. Designated motorcycle parking is available in parking lots 2, 3, 5, 7. No parking permit is required for motorcycles parking in designated motorcycle parking areas.

• Disabled parking - All drivers who are disabled (as defined in the California Vehicle Code Section 295.5) and use a designated disabled permit number must be visible from the inside of the front windshield, bottom corner, driver’s side. Improper or non-display of a permit will result in a parking citation.

• These regulations or procedures are subject to change without written notice. This is a summary of District Parking Policies. Detailed information is available at the Police Business Office or Campus Information Desk located at the Student Center.

WINTER SESSION Parking Permit
There is no grace-period during the Winter Session. All vehicles parked on campus during the Winter Session must have a valid parking permit properly displayed at all times.

During the Winter Session, (Tuesday, January 3 through Thursday, January 26, 2012) all of the following parking permits will be valid for use:
• Fall 2011 Semester Permit
• Spring 2012 Semester Permit
• Daily Parking Permit

Students who have already purchased a Fall 2011 or Spring 2012 semester length permit may use either of these permits to legally park on campus during the Winter Session. In addition, any student who is officially enrolled in a Winter Session class, and who does not already own a Fall 2011 or Spring 2012 semester length permit is eligible to receive a FREE student parking permit valid for use during the 2012 Winter Session. Winter Session students may pick-up their free student parking permit at the Admissions and Records office during normal business hours.

SPRING SEMESTER Parking Permit
A student parking “Grace-Period” will be observed during the week immediately prior to the start of the Spring semester and during the first week of the Spring semester. (Monday, January 23 through Sunday, February 5, 2012). Please note that the grace-period no longer includes the second week of the semester. During the grace period, no parking citation will be issued to any vehicle that is parked in a marked student parking stall without a permit; all other parking violations will be enforced. Parking citations will be issued to vehicles failing to display a valid student parking permit beginning Monday, February 6, 2012.
1 Know What To Do: Be prepared. Take some time and reacquaint yourself with the emergency procedures already in place on Campus and in your classrooms. There are colored emergency guides in all classrooms and public areas. The same information is available on the District’s emergency website at www.wvm.edu/emergency. On the right side of that homepage there is a column of links advising what to do in case of shootings or armed intruder as well as other emergencies including earthquakes, evacuations, fires, severe storms and utility failures.

2 Be part of the solution: Take a first aid and CPR class offered on both campuses. Sign up for the next Campus Community Emergency Response Team (C-CERT) training. It is free.

3 Be aware: Do not be fearful. Look around you when you enter a building and ask yourself what you would do if the earth started violently shaking or you heard the popping sounds that could be gunshots. Becoming involved enough to urge that a fellow student or school employee who appears to be ‘out of sorts,’ unusually stressed or behaving oddly, seek the professional (and free) services available on campus. Don’t hesitate to call the authorities (911 or 408.299.3233) when the situation just doesn’t look right.

4 Sign Up: Sign up for the free WVM-ALERT emergency notification system. This will keep you informed about an emergency or major incident on campus. This is available only to registered students or employees. Sign up online to receive email, phone, cell phone or text messages. (www.wvm.edu/wvm-alert).

5 Stay away: Unless you have clear reason to be involved or can contribute to the positive outcome of the incident, stay away from the “scene.” Take immediate actions to ensure the safety of yourself and those around you and let the trained professionals deal with the incident.

### Noncredit State-Funded Courses

Community Education offers a number of non-credit classes for our community designed to meet the special needs, interests and capabilities of students who do not desire college unit credit. Although non-credit courses are based on college approved curriculum and taught by qualified instructors, they differ from credit courses in some respects. Noncredit courses are:

- FREE of charge
- Open to all students of the community without residency requirements
- Open-entry/open exit and students may register anytime during the school year (provided that space is available)
- There are no tests, quizzes or letter grades given
- Registration is quick and easy through the Community Education department

#### Older Adult Program

These courses are free for seniors and offered at numerous senior centers, community centers, residential care homes, and convalescent hospitals year-round. While these courses are offered primarily for senior citizens at locations and times convenient to them, they are open to all persons. The purpose of this program is to enable the older adult to have a better understanding of self-management. In addition, seniors are able to increase their awareness of consumer resources, and to enrich their learning potential by participating in individual development classes.

Classes are provided in two general categories:

- Art for Seniors – Art classes ranging from fine arts such as painting and history of art to classes in arts, crafts and art appreciation.
- Senior Preparedness – Classes are offered in areas such as current events and consumer resources.

For a complete listing of Older Adult Program classes, please check our website at: www.westvalley.edu/ce

Field Trips/Excursions
Throughout the semester/school year, the District may sponsor voluntary off-campus extracurricular field trips/excursions. If you choose to participate, be advised that pursuant to California Code of Regulations, Subchapter 5, Section 55450, you have agreed to hold the District, its officers, agents and employees harmless from any and all liability or claims which may arise out of or in connection with your participation in the activity.

Prerequisites, Corequisites or Other Limitations on Enrollment Challenges
You have the right to challenge prerequisites or corequisites or other limitations on enrollment for the following reasons:
1) You believe the pre- or corequisite has not been made reasonably available.
2) You believe that the pre- or corequisite was established in violation of regulations or in violation of district-approved policies and processes. (Supporting documentation must be provided.)
3) You believe that the pre- or corequisite or limitation on enrollment is unlawfully discriminatory or is being applied in an unlawfully discriminatory manner. (Supporting documentation must be provided.)
4) You believe you have the knowledge or ability to succeed in the course despite not meeting the prerequisite. (Supporting documentation must be provided.)
5) Enrollment in the course has been limited to a special group of students, and there are no other courses which would fulfill the requirement. You believe you would be delayed by a semester or more in attaining the degree or certificate specified in your educational plan. (Supporting documentation, including a copy of your educational plan, must be provided.)
6) The pre- or corequisite was established to protect health and safety and despite the fact that you do not meet the pre- or corequisite, you believe you are able to demonstrate that you do not pose a threat to yourself or others. (Evidence must be provided.)

To challenge a pre- or corequisite or other limitations on enrollment, contact Admissions for a challenge form and specific instructions. Submit the completed form and any required supporting documentation to Admissions. Your request will be evaluated by a challenge review committee (within five instructional days) and a written response will be mailed to you. If it is determined that you have enrolled in a course for which you have not met the prerequisite or successfully challenged the prerequisite, you can be dropped. Your fees will be automatically refunded.

Complaints
If you feel that assessment, orientation, counseling or any other matriculation procedure is being applied in a discriminatory manner, you may file a complaint. Refer to the Grievance Process located in the "rights and responsibilities" section of the current College Catalog or contact the Director of Human Resources and Employee Relations in the Human Resources Office.

Academic Appeals Committee
The College maintains an Academic Appeals Committee whose purpose is to provide an avenue of appeal for students seeking relief from the rules and regulations of the College pertaining to admission, readmission, residency, tuition or fees, degree or certificate standing, academic standing, and extensions of deadlines.

Prior to petitioning the Academic Appeals Committee, students must first attempt to resolve their problem or concern directly with the appropriate faculty member or Instructional Dean.

Grade appeals are handled only by the instructor and then appealed first to the Department Chair; second, Division Chair; and finally, Vice President of Instruction.

Petitions for relief from academic rules and regulations must be submitted in writing on forms available in the Admissions Office. Appeals of the Committee's decisions may be submitted to the Committee for reconsideration if a student has additional EXTENUATING CIRCUMSTANCES that were not included in the original petition.

Decisions of the Academic Appeals Committee are final and binding, but may be appealed to the College President in writing by the student within five (5) instructional days of reaffirmation of the Committee's decision.

Changes in Rules and Policies
The West Valley-Mission Community College District and West Valley College have made every reasonable effort to determine that everything in this class schedule is accurate. Courses and programs offered, together with other matters contained herein, are subject to change without notice by the Administration of the West Valley-Mission Community College District or West Valley College for reasons related to student enrollment, level of financial support, or for any other reason, at the discretion of the District and the College. The District and College further reserve the right to add, amend, or repeal any of their rules, regulations, policies and procedures.

Release of Student Information (FERPA)
Students have the right and the responsibility to control the release of information about themselves. On the WVC application, students indicate whether they want certain information to be released to any person or agency who requests it. By answering “yes,” students agree to allow their “name, address, telephone number, date and place of birth, major field of study, class schedule, (including classes, rooms, days of the week and time of day for each class), participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous public or private school attended by the student” to be released without their written consent. Please be advised that answering “no” means that parents, family, friends, and employers cannot have access to the above-mentioned information while answering “yes” means that the College may release any or all of that information on demand. If no answer is provided by the applicant regarding the release of directory information, the College will assume that permission IS granted for the release of any information.

It is the responsibility of the students to inform the Vice President of Student Services of their choice concerning release of information EVERY semester. If notification is not received by the Vice President, the answer on record remains in effect.

INFORMATION DISCLOSURE
The Family Educational Rights and Privacy Act (FERPA) and District policy afford students certain rights with respect to their education records. They are:
1) The right to inspect and review the student’s education records within 5 days of the day the College receives a request for access.

Students should submit to the Director of Admissions, or other appropriate official, written requests that identify the records they wish to inspect. The College official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the office to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2) The right to request the amendment of the student’s education records that the student believes are inaccurate or misleading.

Students may ask the College to amend a record that they believe is inaccurate or misleading. They should write the College official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for such amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3) The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the College discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by West Valley College to comply with the requirements of FERPA.

Campus facilities are generally open Monday - Friday, 8am - 5pm, and during other hours as special events, extra curricular and as classes dictate.

REPORTING SEXUAL ASSAULT

As soon as possible, the victim should report incidents of sexual assault, including date or acquaintance rape to the District Police Department, the local police (if the victim is unable to make contact with the District Police), or a College faculty or staff member who can aid in contacting the proper authorities. The Counseling Department and Health Services can also help in contacting the proper authorities. The victim should make every attempt to preserve any physical evidence of the assault. This may include not showering or bathing, not cleaning the scene of the incident, and not disposing of any damaged clothing or other items. The District Police will immediately initiate a criminal investigation into on-campus sexual assaults.

The victim will be given information on counseling and support groups. If the victim wishes to change an academic schedule, the appropriate steps will be taken to accommodate the victim to the full extent possible. The College also encourages persons reporting to seek the support and assistance of friends or family when needed, in presenting their concerns.

The Santa Clara County offers 24 hour counseling for victims of crimes. The Santa Clara County Valley Rape Crisis Center may be reached at (408) 287-3000.

SAFETY ESCORTS

There is an escort service at both colleges available from 5:00pm to 10:00pm Monday through Thursday. Escorts can be reached by dialing 2092 on campus or 741-2092 from a non-campus line. Times must be arranged in advance so the escorts can meet students at their classes.

The District Police will provide you with assistance in unlocking your vehicle, providing jumper cables, or assisting in a tow of vehicle or locksmith to assist you. We cannot attempt to open vehicles which have electric locks or windows. We will also assist family members in contacting students who are in class if there is a serious family emergency.

CRIME PREVENTION

The District Police Department provides a number of services to help educate the campus community in how to avoid being a victim of a crime. Printed information is available at the West Valley Police Department and at the Mission College Police Desk on various topics including Sexual Assault, Vacation Security, Family Violence/Reduction, Battery Women, Home Security, Crime Victims’ Rights, Robbery Prevention, Car Crime Prevention, and How to Guard Against Attack In and Around Your Car. The police personnel are always available to answer questions and make suggestions regarding campus security issues. The Crime Prevention Officer publishes a periodic newsletter which updates the students and faculty and staff on various aspects of campus safety and current concerns and he/she is also available to make special presentations by appointment.

The campus community will be advised of any situations/incidents which pose a threat by the use of e-mail and the posting of bulletins. The sooner the police are called the better the chance of solving the crime. If you happen to see something suspicious, do not hesitate to call the police with a description of the persons, their vehicle and what they are doing. This may save a fellow student or staff member from suffering the frustration associated with being a victim. Remember it is a team effort. The police are here to serve and assist you, and need your help to maintain a safe campus that is conducive to learning.

California Nonresident Tuition Exemption
For Eligible California High School Graduates
(The law passed by the Legislature in 2001 as “AB 540”)

GENERAL INFORMATION

Any student, other than a nonimmigrant alien, who meets all of the following requirements, shall be exempt from paying nonresident tuition at the California Community Colleges, the University of California, and the California State University (all public colleges and universities in California).

- **Requirement s:**
  - The student must have attended a high school (public or private) in California for three or more years.
  - The student must have graduated from a California high school or attained the equivalent prior to the start of the term (for example, passing the GED or California High School Proficiency exam).
  - An alien student who is without lawful immigration status must file an affidavit with the college or university stating that he or she has filed an application to legalize his or her immigration status, or will file an application as soon as he or she is eligible to do so.
  - Students who are nonimmigrants [for example, those who hold F (student) visas, B (visitor) visas, etc.] are not eligible for this exemption.
  - The student must file an exemption request including a signed affidavit with the college that indicates the student has met all applicable conditions described above. Student information obtained in this process is strictly confidential unless disclosure is required under law.
  - Students eligible for this exemption who are transferring to another California public college or university must submit a new request (and documentation if required) to each college under consideration.
  - Nonresident students meeting the criteria will be exempted from the payment of nonresident tuition, but they will not be classified as California residents. They continue to be “nonresidents.”
  - AB540 does not provide student financial aid eligibility for undocumented alien students. These students remain ineligible for state and federal financial aid.

PROCEDURES FOR REQUESTING THIS EXEMPTION FROM NONRESIDENT TUITION

**California Community Colleges:** Complete the form on the following page. Submit it to the Admissions Office at the community college where you are enrolled or intend to enroll. You may be required to submit additional documentation. Call the college Admissions Office if you have questions.

**University of California:** The University of California (UC) system has its own nonresident tuition exemption application and affidavit form, but it will accept the exemption request form used by the California Community Colleges and the California State University. Your campus has established deadlines for submission of exemption requests; however, requests are not to be submitted until you have been admitted to a UC campus. Some students, such as transfer, graduate, and professional students, also must submit their official high school transcripts; check your campus for specific instructions. Once you are determined to be eligible for the exemption, you will continue to receive it as long as you fulfill the eligibility requirements or until the University no longer offers this exemption. The exemption covers the Nonresident Tuition Fee and the Educational Fee differential charged to nonresident students. Applying for the exemption does not alter your responsibility to pay by the campus deadline any nonresident tuition and associated fees that may be due before your eligibility is determined. General information is available at: [www.ucop.edu/sas/sfs/Programs_and_Policies/ab540fafs.htm](http://www.ucop.edu/sas/sfs/Programs_and_Policies/ab540fafs.htm). For campus-specific instructions regarding documentation and deadline dates, contact the campus Office of the Registrar.

**California State University:** Complete the form on the reverse. Contact the Office of Admissions and Records at the CSU campus where you are enrolled or intend to enroll for instructions on submission, deadline information, and additional requirements. You will be required to submit official high school transcripts and appropriate records of high school graduation or the equivalent, if you have not done so already. Call the Office of Admissions and Records at the campus if you have questions.
