STUDENT DISCIPLINARY ACTIONS AND PROCEDURES

Pursuant to California Education Code 76030 - 76037, the following types of discipline may be initiated at any time when a student is found to be in violation of the policies or rules and regulations of the West Valley-Mission Community College District or its colleges. College authorities will determine which type of action is appropriate. Any member of the college community (i.e., faculty, staff, and student) may file a written complaint with a college administrator against any student for misconduct.

Prior to initiation of these formal disciplinary actions, the parties involved are highly encouraged to seek resolution through informal efforts. Should either party wish to pursue an informal resolution, appropriate college personnel (counselor, department chair, division chair, dean, and/or the Vice President of Student Services) are available to meet with the parties to mediate and assist with these informal efforts.

Types of Disciplinary Actions:

1. Official Warning (Education Code Section 76031). An official warning is a written notice from the Vice President of Student Services or a designee of the President to the student that states if the misconduct is continued, it may result in further disciplinary action. Written official warnings shall not be made a part of the student's permanent record.

2. Removal from Class (Education Code Section 76032). An instructor may remove a student from his or her class when the student's conduct interferes with the instructional process. The duration will be for the day of removal and may extend through the next class meeting, or a total of two (2) consecutive class meetings.

The instructor shall immediately report the removal to the Vice President of Student Services and to the appropriate Division Chair or administrator. A written report shall be provided to the Vice President of Student Services.

The Division Chair or appropriate administrator shall arrange for a conference between the student and the instructor regarding the removal. Upon request of either the instructor or the student, the Division Chair or appropriate administrator shall attend the conference. During the period of removal, the student shall not return to the class without the concurrence of the instructor.

The student has the right to return to class after two consecutive class meetings, pending further disciplinary action, if any. Nothing herein will prevent the Division Chair or the appropriate administrator from recommending further disciplinary actions in accordance with these procedures based on the facts which led to the removal.

Within five (5) days following the conference, if further action is required, the Division Chair or appropriate administrator will refer the student to the Vice President of Student Services for further disciplinary actions. The Vice President of Student Services shall decide whether to recommend suspension, whether to impose some lesser disciplinary action, or whether to end the matter. The Vice President of Student Services shall provide the student a written notification of the decision and the type of disciplinary action being imposed. A record of the disciplinary action will be entered in the student's discipline file and will be maintained in the Office of the Vice President of Student Services.

Removal of student who is a minor (Education Code Section 76032): An instructor may remove a student who is a minor from his or her class when the student's conduct interferes with the instructional process. The duration will be for the day of removal and may extend through the next class meeting, or a total of two consecutive class meetings. If the student removed by an instructor is a minor, the college President or the President's designee shall ask the parent or guardian of the student to attend a parent conference with the instructor regarding the removal as soon as possible. If the instructor or the parent or guardian so requests, a college administrator shall attend the conference. During the period of removal, a student shall not return to the class from which he or she was removed without the concurrence of the instructor of the class. The student has the right to return to class after two (2) class meetings, pending further disciplinary action, if any. Nothing herein will prevent the college administrator from recommending further disciplinary procedures in accordance with these procedures based on the facts which led to the removal. The Vice President of Student Services shall provide the student a written notification of the decision and the type of disciplinary action being imposed. A record of the disciplinary action will be entered in the student's discipline file and will be maintained in the Office of the Vice President of Student Services.

3. Withdrawal of Consent to Remain on Campus (Penal Code Section 626.4). The District Police, working in conjunction with the Vice President of Student Services or the College President, may notify any person for whom there is a reasonable belief that the person has willfully disrupted the orderly operation of the campus that consent to remain on campus has been withdrawn. If the person is on campus at the time, he or she must promptly leave or be escorted off campus. If the District Police issues a student a Withdrawal of Consent to Remain on Campus, the Vice President of Student Services is required to review and confirm this action within 24-hours of issuance of this notice.

The person from whom consent has been withdrawn may submit a written request for a hearing on the withdrawal within the period of the withdrawal. The request shall be granted no later than 7 days from the date of receipt of the request. In no case shall consent be withdrawn for longer than 14 calendar days from the date consent was initially withdrawn.

Any person who knowingly reenters the campus during the period in which consent has been withdrawn, except to come for a meeting or hearing, is subject to arrest. A copy of the Withdrawal Consent form and any other information about the incident will be maintained in the student discipline files in the Office of the Vice President of Student Services.

4. Official Reprimand (Education Code Section 76031). A reprimand is a written notice of the violation of specific rules from the Vice President or a designee of the President. A student receiving a reprimand is formally notified in writing that continued conduct of the type described in the reprimand may result in more severe disciplinary actions. A copy of the official reprimand shall be placed in the student's discipline file and will be maintained in the Office of the Vice President of Student Services.

5. Social Probation (Education Code Section 76031). Social probation consists of the exclusion of the student from participation in specified or all extra-curricular College activities. Extra-curricular College activities are defined as College-related activities for which the student receives no academic credit. The written notification of social probation shall set forth the reason or reasons for the imposition of this disciplinary action, the activities to which the exclusion applies, and the length of time for which it is to be imposed. Social probation shall be imposed for a period not to exceed one (1) semester by the President or his/her designee. A copy of the written notice of social probation shall be served to the student and shall be placed in the student's discipline file maintained in the Office of the Vice President of Student Services, and shall also be placed on the student's permanent record.
6. Restitution (Education Code Section 76031). Restitution consists of the reimbursement for damages to or misappropriation of District property, the property of a member of the College community, or of a visitor on the West Valley or Mission College campuses. Reimbursement may take the form of appropriate personal services to repair, restore or otherwise compensate for the damage or injury done, and may be made a condition of continued attendance at the College. The President or his designee shall inform the student in writing of the amount to be reimbursed to the college and the length of time required for reimbursement. A copy of the restitution requirement will be placed in the student’s discipline file maintained in the Office of the Vice President of Student Services, and shall also be placed on the student’s permanent record.

7. Disciplinary Probation (Education Code Section 76031). Disciplinary probation is a lesser sanction than suspension. Probation requires the student to adhere to specific written terms and conditions defined by the College Hearing Board, Vice President of Student Services, or the President’s designee. The terms of probation shall bear a reasonable relationship to the violation committed by the student. The sanction may include, but need not be limited to, ineligibility to participate in college or student-sponsored activities including public performances and may be imposed upon an individual student or group(s) of students. Disciplinary probation may be imposed for a period not to exceed one year.

Should the student violate one or more of the terms of the probation during the probationary period, the Vice President of Student Services will impose a more stringent disciplinary action such as suspension. The student will be notified in writing. The Vice President of Student Services shall also immediately notify the President. A record of the disciplinary action shall be placed in the student’s discipline file maintained in Office of the Vice President of Student Services, and shall also be placed in the student’s permanent record.

8. Interim/Emergency Suspension (76030). In those cases where an immediate suspension is required in order to protect lives or property, or to ensure the maintenance of order, the College President or the President’s designee may summarily suspend a student for a period not to exceed ten (10) instructional days provided that, within the ten-day period, a reasonable opportunity for a disciplinary hearing is provided to that student (California Education Code, Section 66017). Interim suspension is outlined below in the Due Process Procedures section. Records of the interim suspension shall be retained in the Vice President of Student Services Office and in the student’s permanent record. The President shall report an Interim/Emergency Suspension to the Board of Trustees at its next regular meeting.

9. Disciplinary Suspension (Education Code Sections 66017; 76030; and 76031). Disciplinary suspension is the exclusion from the campus and other privileges or activities for a definite period of time. Disciplinary suspension serves as a penalty against a student for repeated, continued, or serious violations of the District’s and/or College’s rules, policies, or regulations. A student may be suspended (a) for one (1) or more classes for up to ten (10) days of instruction; (b) from one (1) or more classes for the remainder of the school term; or (c) from all college classes and activities for one (1) or more terms. A suspended student may be prohibited from occupying any portion of the campus and denied participation in any or all college activities. During the term of the suspension, the suspended student will not be permitted to enroll in classes at West Valley-Mission Community College District. Disciplinary suspensions shall be initiated by the Vice President of Student Services and are subject to the due process procedures outlined below in the following section. The President shall report a disciplinary suspension of any student to the Board of Trustees at its next regular meeting after the suspension has been imposed. A copy of the suspension notice, including the reason for the suspension, shall be placed in the student’s discipline file maintained in the Office of the Vice President of Student Services, and shall also be placed in the student’s permanent record.

10. Expulsion (Education Code Section 76030). An expulsion for good cause is a permanent termination of student status with readmission to the College upon the express approval of the Board of Trustees. A student may be expelled only by the Board of Trustees after notice has been given and a hearing conducted in accordance with the procedures set forth in the Due Process Procedures section. The Board of Trustees shall expel a student for misconduct whenever other means of correction have failed to bring about proper conduct or when the seriousness of the situation warrants such disciplinary action. A copy of the expulsion notice, including the reasons for the expulsion, shall be placed in the student’s discipline file maintained in the Office of the Vice President of Student Services, and shall also be placed in the student’s permanent record. Any suspension or expulsion shall preclude enrollment at any and all colleges within the District during the period of suspension or expulsion.

DUE PROCESS PROCEDURES

Consistent with Education Code Sections 66017 and 76030, the student disciplinary actions of interim/emergency suspension, disciplinary suspension, and expulsion are subject to the due process and appeal procedures described herein.

In cases where lesser disciplinary actions have been ineffective in halting student misconduct or the magnitude of the misconduct warrants more severe disciplinary action, the College will initiate the process for a suspension or expulsion. When the decision is made to initiate such a process the representative of the College or other individuals who have knowledge of the violation of the student conduct standards will submit a written account to the Vice President of Student Services. The Vice President of Student Services or designee will deliver in person, or provide via certified mail (accompanied by a return receipt) to the student a copy of the charges against him/her. The charges will list the specific violation(s) of the District Student Discipline Policy, a factual summary of the alleged misconduct, other relevant information, and notice of the due process hearing and appeal procedures. If the student is a minor, the parent or guardian shall also be provided notice of the due process hearing and appeal procedures. The following outlines the procedures:

1. The Vice President of Student Services shall administer these procedures and take appropriate action, subject to the approval of the President and the Chancellor as required herein or as otherwise required by law.

2. Disciplinary action taken under these procedures may be taken regardless of anticipated, pending or completed civil or criminal proceedings arising out of the same act or event.

3. Alleged student misconduct of a serious nature to warrant consideration of suspension or expulsion shall be reported to the Vice President of Student Services and when reported to or discovered, the Vice President of Student Services shall initiate an investigation of the charges. Should the Vice President of Student Services deem it appropriate to pursue disciplinary actions against the student, he/she shall arrange a meeting with the student prior to issuance of formal charges, at which time the student shall be informed that an investigation is being conducted.

4. If the student is a minor, the student’s parent or guardian shall also be provided notice of the due process procedures.

5. Following issuance of formal charges, the student has the right to request a hearing to present information and/or evidence supporting his/her case. Should the student fail to request a hearing, the Vice President, after due investigation and deliberation, shall proceed to impose whatever disciplinary action he/she deems appropriate or appropriate action to the President. If the student requests a hearing, he/she shall be afforded one of the following options:

   a. A hearing before the Vice President of Student Services/designee, or
   b. A hearing before the College Hearing Board. (For a description of College Hearing Board see the College Hearing Board section). The Vice President of Student Services shall set the time, date, and location for the hearing.

6. Proceeding under option 5a, where a student requests a hearing before the Vice President of Student Services:

   a. The Vice President of Student Services, or the designee, shall discuss the accusation with the student. The Vice President of Student Services and the student or his/her representative shall have the right to call, examine and cross-examine witnesses. The Vice President of Student Services then may consider any relevant evidence or information presented in the matter, take or recommend disciplinary action if appropriate, and inform the
student that if he/she disagrees with the disciplinary action, he/she may appeal to the President for review of the disciplinary action by so informing the Vice President in writing (see Student Appeal Procedures).

b. Following the hearing, in any case where disciplinary suspension is recommended by the Vice President of Student Services, the action shall be reported to the College President within ten (10) business days. The President shall either approve or disapprove the action within five (5) business days of receipt of the disciplinary suspension recommendation. If the President approves, he/she shall impose disciplinary suspension.

c. The President, at his/her discretion, may stay the disciplinary suspension, if he/she feels that the staying of such will not endanger any individual or the College.

d. If after notification, the student fails to appear at the hearing before the Vice President of Student Services, the Vice President may declare the student in default, and proceed as if the student were present at the hearing.

7. Proceeding under Option 5b., where the student requests a hearing before the West Valley or Mission College Hearing Board:

1. a. The Vice President of Student Services or designee shall schedule a meeting of the College Hearing Board within ten (10) working days.

b. The Vice President of Student Services shall provide the student and the College Hearing Board with a written statement of the charges against the student, and any other relevant information.

c. The student may select a representative to assist him/her in his/her presentation before the College Hearing Board. If the student is to be represented by legal counsel, he/she must notify the President of the fact at least seven days prior to the date of the scheduled hearing. An attorney shall not represent the student unless, in the judgment of the College, complex legal issues are involved. The Vice President of Student Services or the College Hearing Board may request legal assistance; any legal advisor provided to the College Hearing Board may sit in an advisory capacity to provide legal counsel but shall not be a member of the panel or vote with it.

d. If the student fails to appear at the time and place designated for the hearing, the College Hearing Board may proceed in his/her absence, declaring him/her to be in default.

e. The Vice President shall have the proceedings of the College Hearing Board recorded at the meeting, either stenographically or electronically, and any such record shall be maintained at the Office of the Vice President of Student Services for a period of three (3) years.

f. The hearing before the College Hearing Board shall be conducted in a manner conducive to the determination of the truth. It is not contemplated or required that the hearing be conducted with the formality of a legal proceeding. Formal rules of evidence shall not apply. Any relevant evidence shall be admitted.

g. At the hearing, the College Hearing Board shall determine to proceed otherwise, the Vice President of Student Services or designee and the student shall be permitted to each make an opening statement. Thereafter, the Vice President of Student Services or designee shall first present any relevant evidence in his/her possession regarding the alleged misconduct; the student may then present any relevant evidence which he/she may have. The Vice President of Student Services or designee may present rebuttal evidence after the student completes his or her presentation. The Vice President of Student Services or designee and the student or his/her representative shall have the right to call, examine, and cross-examine witnesses. Written statements, if any, shall be submitted under penalty of perjury.

h. After submission of all relevant evidence, the College Hearing Board shall immediately meet in private, and based upon the evidence presented to it, determine the truth of the charges and the recommended disciplinary action, if any, to be imposed upon the student. Upon reaching its decision, the College Hearing Board shall reconvene and announce its decision and recommend the appropriate disciplinary action. Appropriate disciplinary action may include specific sanctions, terms and conditions.

i. The student may appeal for reconsideration of the report of the College Hearing Board as provided in the following paragraph of this section.

j. If the recommended disciplinary action involves disciplinary suspension, the College Hearing Board shall forward the findings of fact to the President within ten (10) business days. If the President concurs in the recommendations, he/she shall impose disciplinary suspension. If the President disapproves, he/she shall advise the College Hearing Board within five (5) business days. Any student who has held a recommendation of disciplinary suspension imposed against him/her has the right of appeal to the President. The President, at his/her discretion, may stay the disciplinary suspension, if he/she feels that the decision to stay will not endanger any individual or the College. If the proposed disciplinary action recommended is expulsion, the President shall initiate proceedings before the Board of Trustees, as set forth in section titled Procedures Before the Board of Trustees. If, at the conclusion of the hearing before the College Hearing Board, the student wishes to appeal the discipline imposed or recommended, he/she shall immediately inform the Vice President of Student Services in writing (see Student Appeal Procedures section). Appeals concerning expulsion shall be scheduled for a hearing before the Board of Trustees by the President. Appeals concerning other forms of disciplinary action shall be directed to the President for disposition.

Each side shall also have the opportunity to offer rebuttal evidence.

5. A prospective witness must either be sworn, or affirm to tell the truth. Witnesses shall be subject to cross-examination by the other party, and inquiry of the members of the Board of Trustees. Written statements of absent witnesses shall be received only if submitted as affidavits or declarations under penalty of perjury.
