COLLEGE STRATEGIC GOALS

1 - Learning Community

We will shape a learning community which blends the traditional focus on content with the development of additional skills that learners need to contribute successfully to our contemporary, multi-cultural society by:

- Effectively developing a sense of community
- Encouraging collaboration
- Making all members of the college community active partners with shared responsibility in the learning experience
- Developing appropriate skills to promote lifelong learning
- Supporting collaborative learning and problem solving within the classroom, across the College and throughout the District

We will continue to support student success by:

- Developing, evaluating, and improving our educational programs and services
- Assisting students in setting their educational goals and evaluating progress toward them
- Utilizing continual assessment to improve the student learning experience.

We will promote ongoing professional and personal growth by:

- Providing orientation for all full and part-time employees
- Providing opportunities, resources, and mentoring

2 - Diversity & Inclusion

We will foster an increasingly diverse and inclusive learning community by:

- Communicating and building better relationships with the communities we serve
- Decreasing systemic financial, geographic, academic, physical, personal and cultural barriers to make the campus more accessible and inviting
- Attracting, hiring, retaining, and supporting a highly qualified, multi-faceted staff
- Preparing and encouraging students to contribute successfully to our contemporary, multi-cultural society

The strategic priorities highlighted in the College’s Strategic Plan 2013-2018 summarize the College’s commitment to the students, staff, and community friends and partners. These priorities serve as guidelines and aspiration in developing the Facilities Master Plan.
