Here’s the forwarded message, Max.

As for ones from past years, I didn’t keep those. But I can state that we haven’t missed a deadline in the last five years.

Below are three links on the ACCJC site:

Brad, this first link is to a “2019 Directory Update Form.” It needs to be completed by you before March 15th (a week from tomorrow). Except for asking for our Fall 2018 enrollment, all the boxes are for our contact information. I assumed that you completed the form on Tuesday when you asked me for our Fall 2018 enrollment.

Pat, this online form has the fiscal report that is due April 5th. I’ll assume that you’ll complete it as you usually do.

Matais, this online form has the annual report that is due April 5th. It usually asked for enrollments, courses offered, etc. If you have this year’s login, please forward it to me and I’ll complete this form.

Thanks!
