2.B.1.3 - Library Collection Development Policy

https://www.westvalley.edu/library/

The library is the central location for learning materials at West Valley College. Materials include books, e-books, electronic databases, films, videos, journals, pamphlets, slides, tapes, and other similar materials.

- To provide materials to support the curriculum.
- To provide materials on the whole range of knowledge, with some information on most subjects about which West Valley College students are likely to ask.
- To provide materials on current, local, national and international issues on which citizens of a democracy need to be informed.
