Title III

Overview

Title III is a U.S. Department of Education Strengthening Institutions [https://www2.ed.gov/programs/iduestitle3a/index.html] grant. West Valley College's Title III grant project tag line is From Application to Graduation, Supporting Students in the Digital Age.

The grant's three major components are as follows.

1. Increasing access to student services
2. Improving distance education student success and access to academic support services
3. Increasing the college's ability to make data driven decisions
