A cumulative record of enrollment, scholarship, and educational progress shall be kept for each student.

As stated in BP 5040 titled Student Records, directory Information, and Privacy, any currently enrolled or former student of the District has a right of access to any and all student records relating to him/her maintained by the District and shall be provided an opportunity to challenge such records on the grounds that they are inaccurate in accordance with the requirements of the California Education Code (See AP 5045 titled Student Records – Challenging Content and Access Log). A College shall obtain the written consent of the student before releasing student records to any persons and these rights extend to present and former students of the District with certain exceptions specified in Education Code Section 76243.

Student records include any item of information related to an identifiable student which is maintained by a community college or required to be maintained by an employee in the performance of his/her duties. Such student records shall not include those records defined in Education Code Section 76210.

The District shall promulgate and maintain procedures to ensure that access to student records is restricted to only those individuals permitted access by law and requiring access for the operation of the District.

If a student wishes to challenge any information in his/her record, he/she shall file a written request with the appropriate College President for review. The College shall publish and communicate appropriate procedures for the timely review of requests.
