CHANGING YOUR CLASS SCHEDULE

Before Instruction

Students who have registered may make changes to their schedule. Students may use T-REG/MyWebServices to make changes through the day before your class starts.

Adding Classes After They Are Closed

You must attend a class in order to add. If the instructor can accept any additional students, he will give you a four-digit authorization code (ADD CODE). You will need to process this code over MyWebServices through the registration process or over T-REG 408-741-8734 system to ADD the class. **You must use this code immediately because it will become invalid if the census date for the class has passed.** Payments can be made by credit card (Master card or Visa), over T-REG or on the WEB. It is your responsibility to go to the WEB to MyWebServices and print out your current schedule verifying the ADD was processed. **The deadline to process all ADDS for the spring semester is February 11, 2010.**

It is your responsibility to meet all pre and co-requisite requirements. In addition, it is your responsibility to drop the course you added if you no longer want it. Be sure to check deadline dates.

Dropping Classes After Instruction

Before Instruction: You can use T-REG/WEB to drop your classes before the term begins. **NOTE:** For short-term courses that meet less than 5 class meetings, you must drop before the class begins to not get a "W" on your record and receive a refund.

After instruction: You can use T-REG/WEB to drop your classes. The deadline to drop full semester-length classes without a "W" and receive a refund is **February 11, 2010**. You may still drop without a "W" until **February 19, 2010** but **NO REFUND** will be issued. **If Enrollment Fees have not been paid at this time, they are due**

in full even though the class has been dropped. The deadline to drop semester-length classes with a "W" is **April 30**. **NOTE:** Short-term classes meeting 5 times or more have 10% of total days of class session to drop with a refund. They have 20% of total days of class session to drop without a "W" and 75% of total days of class session to drop with a "W" on the record. After the determined last day to drop, a letter grade other than a "W" will be posted.

An instructor's signature is not necessary to drop a class. It is necessary, however, to have the signature of the laboratory attendant when dropping chemistry (except Chem 50) and photography classes, and to get a clearance from the Physical Education Department when dropping a P.E. class if you have been issued a locker.

Instructors MAY drop students for failure to attend the first meeting of the class. You should notify the instructor if you are unable to attend the first class meeting.

DO NOT ASSUME THAT YOU WILL BE "DROPPED" FROM A CLASS. IT IS THE STUDENT'S RESPONSIBILITY TO DROP ALL UNWANTED CLASSES. No enrollment fee refunds will be made for classes dropped after the published refund deadline in current Schedule of Classes (see academic calendar) Check MyWebServices to monitor your wait list and course availability.

Audit Information

West Valley College has a student audit policy. Students may not sign up to audit until the class begins. Students need to obtain a "Request to Audit" form from the Division Office and go to the first class meeting. The instructor will sign the form after determining if the student qualifies as an auditing student and if the class is one which may be audited. The signed Request to Audit form is then taken to Admissions and Records and fees are paid. The fee for auditing is \$15 per unit.

Pass/No Pass Option

Not all classes are available on a pass/no pass or grade option. Check the West Valley College Catalog to determine if your class offers this option. If it does, notify your instructor that you choose the pass/no pass option. This must be done before one third of the class (six weeks for a semester-length class) has passed. If you do not notify your instructor, you will automatically receive a letter grade.

SPECIAL ADMISSION OF HIGH SCHOOL STUDENTS

Frequently Asked Questions and Important Information for your success:

WVC communicates to students primarily through email although we may send information through the postal service when we do not have a viable email address on file. Important details to help you with your college experience:

- Through MyWebServices you can update your email address at any time. WVC emails include important information about your registration days and times (includes information on any money owed the college), class cancellations, and whether you have been added to a class from the Wait List. It is your responsibility to drop and add classes by the published deadlines.
- Please check on your information through MyWebServices to make sure your class schedule is accurate (added from the Wait List, any cancelled classes, etc.) and that you know what fees you owe or have paid. This is your responsibility.
- Make sure you unblock any spam filter you have that may prevent you from receiving important WVC email communications. We respect your privacy and only use your email address for college/District communication.
- If you need another person to transact business on your behalf, whether a minor or adult, you must provide that person with a note of authorization. This must be presented at each transaction. This protects your right to privacy. A photo ID is essential for all A&R transactions.
- You can contact the WVC Admissions Office at (408) 741-2001 or through askwvc@wvm.edu for assistance.

1. When do I register for Winter/Spring classes?

You can register for your winter session and spring semester classes at the same time. Continuing students who registered for classes during the fall 2009 semester will be notified by email in early November or via a mailer. Your registration priority is based on the number of units completed within the District. If you did not attend for a semester, you will need to update your application to continue the registration process. You can do that online or in person. Please make sure you have given us your updated information and that that you undo any spam blocks for the WVM address. Your priority date can be checked through MyWebServices.

2. I am new to WVC, how do I get started?

Assessment Testing/Placement Testing - Your success is our number one goal! Start with college Placement Testing for English, Math and Reading. Having your assessment will help you develop a schedule that meets your needs AND makes it more likely for you to be successful. There are many sessions available. Check the Schedule of Classes, check the online schedule at westvalley.edu or call the Assessment Office (located in the Counseling building at (408) 741-2035 or 741-2009 for more information.

NOTE: There are also several sessions to assess ESL (English as a Second Language) students.

To clear a pre-requisite for a class: If you have completed the previous college level course at another college, have placement results from another college, or applicable AP scores, you can take that information to the Assessment Office to clear the pre-requisite so you can proceed to a successful Registration. Call (408) 741-2035 if there are specific questions.

Orientation – Orientation is your opportunity to learn about the college experience and to develop an Educational Plan to help you reach your goals. You have various Orientation options: a ½ unit Orientation (Couns A) class, other Counseling classes, in-depth workshops for specific needs, or an online session. During this experience, you will meet with a Counselor to help you develop an Educational Plan based on your placement test information, goals and other life variables.

NOTE: There are special orientations for ESL (English as a Second Language) learners.

After your **Orientation**, you can register for your classes over the web (westvalley.edu), over the phone using T-Reg (408) 741-8734 or in person in the Admissions and Records Office. Students who have completed an AA/AS degree or higher, are primarily taking classes at another institution, or taking classes for personal enrichment, are not required to complete Assessment or Orientation; however, prerequisite regulations are still applicable.

3. The class I want to take is full. Can I get on a Wait List?

Most departments have Wait Lists for classes. Prior to the start of the class, you can get added to a class Wait List. You can get on as many sections of the class as you want but the Wait List system will only add you in if you do not have a schedule conflict, overlap and you have met the course pre-requisites. There is no fee for being on the Wait List; you will be charged the enrollment fees when you are added to the class. **Please continue checking MyWebServices and look for any emails letting you know that you have been moved from the Wait List to the class registration list.** Managing your class Schedule is your responsibility.

After the class begins, and through the last day to add classes (listed in the Schedule of Classes), you can speak with an individual instructor and see if he/she will add you to the class. If so, you will get a 4 digit Add Code to either use over the web, call in over the phone or, if you need assistance, come in person to the Admissions and Records Bldg. for processing.

You must use the Add Code on or before the last day to add. **If, for some verifiable reason, you were not able to add in the class before the last day to add, you must complete a Petition to Late Add available in A&R or through a Division Office.**

4. How do I find out what classes I am registered for?

Check your schedule through MyWebServices at westvalley.edu. It is easy to do and a good strategy to verify your schedule. Log in using your student ID and password; then go to My Current Class schedule. Once your class Schedule is finalized, print out a copy to help you find your classes once the busy semester or term begins. If you need help, bring a photo ID to Admissions and Record and we will guide you through the process.

5. What are the residency requirements for West Valley College?

We welcome all students who are at least one of the following: 18 years of age or older, have a high school diploma, passed the State Proficiency Test, have a G.E.D., or are considered a special admissions high school (Concurrent Enrollment) student with permission.

6. How do I get a student ID?

Student photo ID's are free and available in the Admissions and Records office. You will need your student Photo ID for transactions in A&R, the Library, Tech Center and College Bookstore. If you do not yet have a WVC student photo ID, be prepared to show another form of photo ID in Admissions and Records. This is to protect your right to privacy.

7. I have applied for financial aid. How will that impact my fees?

If you are a California resident, the Board of Governor's Fee Waiver waives your \$26/unit enrollment fee and half off of the semester parking permit charge. You can apply for the BOG Waiver even after the semester begins and your fees will be adjusted. Additional financial aid is available so check out all your options and apply now. More information is available at www.westvalley.edu/financialaid/

8. What if I am an International Student?

Thank you for your interest in West Valley College. For more information, please check the detailed International Student information at www.westvalley.edu/services/international/

9. What if I am a resident of another state?

Out of state students are welcome to attend WVC. You will be charged out-of state tuition as outlined in our fee table. If your residency status changes and you can now be considered a resident of California, please come to the Admissions and Records Office to complete a "Residency Questionnaire" and be able to show proof of residency in California of a year and a day prior to the start of semester or term.

10. I am still in high school. Can I take classes at West Valley College?

Yes, WVC has a very active Concurrent Enrollment program. By District policy, students must be 16 and in or starting their junior year of high school. For more information, go to the link under Admissions and Records for Concurrent Enrollment www.westvalley.edu/admissions/

Phone: (408) 741-2024

Regular Hours: Please visit West Valley College website for current hours of service or call the financial aid office.

www.westvalley.edu/financialaid/links.html

Financial Aid manages programs designed to help students pay for educational and living expenses while they are in school. When students apply for financial aid, we evaluate their circumstances and identify all the financial help available to them through federal, state, and other programs.

Unfortunately most students do not realize they may qualify for one or more of the financial aid programs currently available. Many students miss out on money that can help them throughout their educational career, especially when its money they do not have to pay back.

Funds are donated from a joint investment of contributions from the private sector and from West Valley College employees. Applications are available in the Financial Aid Office in mid November of each year. Awards are announced in late spring, to be awarded for the following school year.

Outside Scholarships: Many foundations, professional associations, religious and ethnic organizations, and corporations offer grants and scholarships. These awards are based on a wide variety of qualifications including, financial need, academic achievement, religious affiliation, ethnicity, and special interests. These scholarships are announced on the bulletin board at the Financial Aid Office

(continued on the next page)

Return of Title IV Funds

A student may owe money back to the Department of Education if he/she received federal financial aid and then withdrew before completing 60% of the semester or completed zero units at the end of the term. The federal programs include: Pell Grant, Academic Competitiveness Grant (ACG), Federal Supplemental Educational Opportunity Grant (FSEOG), and the Federal Family Educational Loan Program (FFELP). The College is required to determine the amount owed and to bill the student. The student has 45 days to respond. If the student fails to pay the debt, the College is required to notify the National Student Loan Data Service (NSLDS) and at that time, the student becomes ineligible for any further financial aid consideration, regardless of which school the student is attending, until the debt is paid in full.

Veteran's Educational Benefits

New veterans should contact the Veterans Office, located in the Admission and Records building, at least one and one-half month prior to the first day of school in order to request advance pay. An early date will avoid delay in receipt of the first payment. You must bring a copy of your DD214 or 2384 (Certificate of Eligibility) and any documentation relating to spouse and/or dependents. Returning veterans should allow the same amount of time for their requests. Continuing veterans should check with the Veterans Office as soon as they register each semester.

Illegal Distribution of Copyrighted Materials

West Valley College students are prohibited from using the West Valley-Mission Community College District (WVMCCD) information network to illegally download or share music, video and all other copyrighted intellectual property. West Valley College supports the Higher Education Opportunity Act and Digital Millennium Copyright Act, including efforts to eliminate the illegal distribution of copyrighted material. Under the law, college administrators may be obligated to provide copyright holders with information about users of the WVMCCD information network who have violated the law.

Be aware that illegal forms of downloading and file sharing as well as the unauthorized distribution of copyrighted materials are violations of the law and may subject you to academic sanctions from the college through the college's student conduct and discipline policies (as published in the College Catalog) as well as criminal and civil penalties, including a lawsuit against you by the Recording Industry Association of America (RIAA). Learn more at www.campusdownloading.com <<http://www.campusdownloading.com>> <<http://www.campusdownloading.com>> . In addition to being illegal, file sharing drains the WVMCCD network's bandwidth, which slows computer connections for students and employees who are using the network for legitimate academic purposes and ultimately costs the college money. There are plenty of easy, affordable ways to get music online legally. To protect their intellectual property, companies have licensed hundreds of digital partners that offer a range of legal downloading options, including download and subscription services, legitimate peer-to-peer services, video-on-demand, podcasts and CD kiosks. For a list of sources that offer legal downloading sites, access www.riaa.com <<http://www.riaa.com>>

WV-M **ALERT!**

Be alert. Be calm. Be informed. Stay safe.
**What to do in case of an on-campus emergency—
 a fire, an earthquake or an act of violence.**

1 Know What To Do: Be prepared. Take some time and reacquaint yourself with the emergency procedures already in place on Campus and in your classrooms. There are colored emergency guides in all classrooms and public areas. The same information is available on the District's emergency website at www.wvm.edu/emergency. On the right side of that homepage there is a column of links advising what to do in case of shootings or armed intruder as well as other emergencies including earthquakes, evacuations, fires, severe storms and utility failures.

2 Be part of the solution: Take a first aid and CPR class offered on both campuses. Sign up for the next Campus Community Emergency Response Team (C-CERT) training. It is free.

3 Be aware: Do not be fearful. Look around you when you enter a building and ask yourself what you would do if the earth started violently shaking or you heard the popping sounds that could be gunshots. Becoming involved enough to urge that a fellow student or school employee who appears to be 'out of sorts,' unusually stressed or behaving oddly, seek the professional (and free) services available on campus. Don't hesitate to call the authorities (911 or 408.299.2311) when the situation just doesn't look right.

4 Sign Up: Sign up for the free **WVM-ALERT** emergency notification system. This will keep you informed about an emergency or major incident on campus. This is available only to registered students or employees. Sign up online to receive email, phone, cell phone or text messages. (www.wvm.edu/wvm-alert).

5 Stay away: Unless you have clear reason to be involved or can contribute to the positive outcome of the incident, stay away from the "scene." Take immediate actions to ensure the safety of yourself and those around you and let the trained professionals deal with the incident.

INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM

The Intersegmental General Education Transfer Curriculum (IGETC) consists of a series of courses that community college students can use to satisfy lower division general education requirements at any CSU or UC campus.

IGETC certification can be either full or partial. See a counselor for details. Certification of IGETC will permit a student to transfer from a community college to a campus in either the California State University (CSU) or the University of California (UC) system without the need, after transfer, to take additional lower-division general education courses to satisfy campus general education requirements. A minimum grade of "C" in each course is required.

Completion of the IGETC is not a requirement for transfer to a CSU or UC, nor is it the only way to fulfill the lower-division general education of the CSU or UC prior to transfer. Students may find it advantageous instead to take courses fulfilling CSU's general education requirements or those of a particular UC campus.

The following courses have been approved as fulfilling the IGETC requirements.

Students should submit to the Registrar, or other appropriate official, written requests that identify the records they wish to inspect. The College official will make arrangements for access and notify the student of the time and place where the records may be inspected. Students may ask the College to amend a record that they believe is inaccurate or misleading. They should write the College official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for such amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3) The right to consent to disclosures of personally identifiable information contained in

the student's education records, except to the extent that FERPA authorizes disclosure without consent.

California Nonresident Tuition Exemption

*For Eligible California High School Graduates
(The law passed by the Legislature in 2001 as "AB 540")*

GENERAL INFORMATION

Any student, other than a nonimmigrant alien, who meets all of the following requirements, shall be exempt from paying nonresident tuition at the California Community Colleges, the University of California, and the California State University (all public colleges and universities in California).

- Requirements:
 - The student must have attended a high school (public or private) in California for three or more years.
 - The student must have graduated from a California high school or attained the equivalent prior to the start of the term (for example, passing the GED or California High School Proficiency exam).
 - An alien student who is without lawful immigration status must file an affidavit with the college or university stating that he or she has filed an application to legalize his or her immigration status, or will file an application as soon as he or she is eligible to do so.
- Students who are nonimmigrants [for example, those who hold F (student) visas, B (visitor) visas, etc.] are not eligible for this exemption.
- The student must file an exemption request including a signed affidavit with the college that indicates the student has met all applicable conditions described above. Student information obtained in this process is strictly confidential unless disclosure is required under law.
- Students eligible for this exemption who are transferring to another California public college or university must submit a new request (and documentation if required) to each college under consideration.
- Nonresident students meeting the criteria will be exempted from the payment of nonresident tuition, but they will *not* be classified as California residents. They continue to be "nonresidents."
- AB540 does not provide student financial aid eligibility for undocumented alien students. These students remain ineligible for state and federal financial aid.

PROCEDURES FOR REQUESTING THIS EXEMPTION FROM NONRESIDENT TUITION

California Community Colleges: Complete the form on the reverse. Submit it to the Admissions Office at the community college where you are enrolled or intend to enroll. You may be required to submit additional documentation. Call the college Admissions Office if you have questions.

University of California: The University of California (UC) system has its own nonresident tuition exemption application and affidavit form, but it will accept the exemption request form used by the California Community Colleges and the California State University. Your campus has established deadlines for submission of exemption requests; however, requests are not to be submitted until you have been admitted to a UC campus. Some students, such as transfer, graduate, and professional students, also must submit their official high school transcripts; check your campus for specific instructions. Once you are determined to be eligible for the exemption, you will continue to receive it as long as you fulfill the eligibility requirements or until the University no longer offers this exemption. The exemption covers the Nonresident Tuition Fee and the Educational Fee differential charged to nonresident students. Applying for the exemption does not alter your responsibility to pay by the campus deadline any nonresident tuition and associated fees that may be due before your eligibility is determined. General information is available at: www.ucop.edu/sas/sfs/Programs_and_Policies/ab540faq.htm. For campus-specific instructions regarding documentation and deadline dates, contact the campus Office of the Registrar.

California State University: Complete the form on the reverse. Contact the Office of Admissions and Records at the CSU campus where you are enrolled or intend to enroll for instructions on submission, deadline information, and additional requirements. You will be required to submit final high school transcripts and appropriate records of high school graduation or the equivalent, if you have not done so already. Call the Office of Admissions and Records at the campus if you have questions.

CAMPUS SAFETY

The West Valley/Mission Community District strives to maintain a safe environment for students, staff, and visitors to pursue educational objectives. However, a truly safe and secure campus can only be achieved with thorough cooperation of all members of our College community.

Throughout the academic year, the District Police and Health Services in conjunction with Student Services presents informational programs concerning the awareness and prevention of sexual assault. These programs consist of guest speakers, films and printed materials. To obtain further information, please contact either the District Police, Health Services or Student Services. Counseling assistance is available through Health Services and the Counseling Department.

The College will vigorously prosecute and discipline persons identified as responsible for sexual assaults. In addition to criminal prosecution, the College may impose discipline against students, student organizations or College faculty or staff identified as committing or participating in sexual assaults. College discipline includes: expulsion from the College; suspension for a specific time period; or probation for a specific time period.

Discipline proceedings involving students will be processed through the office of the Vice President of Student Services. Discipline proceedings involving faculty or staff members will be processed through the District Human Resources office. Both the accuser and the accused are entitled to the same opportunities to have others present during a campus disciplinary proceeding. Both the accuser and the accused shall be informed of the outcome of any campus proceeding alleging a sexual assault.

Campus facilities are generally open Monday - Friday, 8am - 5pm, and during other hours as special events, extra curricular and as classes dictate.

REPORTING SEXUAL ASSAULT

As soon as possible, the victim should report incidents of sexual assault, including date or acquaintance rape to the District Police Department, the local police (if the victim is unable to make contact with the District Police), or a College faculty or staff member who can aid in contacting the proper authorities. The Counseling Department and Health Services can also help in contacting the proper authorities. The victim should make every attempt to preserve any physical evidence of the assault. This may include not showering or bathing, not cleaning the scene of the incident, and not disposing of any damaged clothing or other items. The District Police will immediately initiate a criminal investigation into on-campus sexual assaults.

The victim will be given information on counseling and support groups. If the victim wishes to change an academic schedule, the appropriate steps will be taken to accommodate the victim to the full extent possible. The College also encourages persons reporting to seek the support and assistance of friends or family when needed, in presenting their concerns. Santa Clara County offers 24 hour counseling for victims of crimes. The Santa Clara County Valley Rape Crisis Center may be reached at (408) 287-3000.

SAFETY ESCORTS

There is an escort service at both colleges available from 5:00 pm to 10:00 pm Monday through Thursday. Escorts can be reached by dialing 2092 on campus or 741-2092 from a non-campus line. Times must be arranged in advance so the escorts can meet students at their classes.

The District Police will provide you with assistance in unlocking your vehicle, providing jumper cables, or summoning a tow truck or locksmith to assist you. We cannot attempt to open vehicles which have electric locks or windows. We will also assist family members in contacting students who are in class if there is a serious family emergency.

CRIME PREVENTION

The District Police Department provides a number of services to help educate the campus community in how to avoid being a victim of a crime. Printed information is available at the

West Valley Police Department and at the Mission College Police Desk on various topics including: Sexual Assaults, Vacation Security, Family Violence Reduction, Battered Women, Home Security, Crime Victims' Rights, Robbery Prevention, Car Crime Prevention, and How to Guard Against Attack In and Around Your Car. The police personnel are always available to answer questions and make suggestions regarding campus security issues. The Crime Prevention Officer publishes a periodic newsletter which updates the students and faculty and staff on various aspects of campus safety and current concerns and he/she is also available to make special presentations by appointment.

The campus community will be advised of any situations/incidents which pose a threat by the use of e-mail and the posting of bulletins. The sooner the police are called the better our chance of solving the crime. If you happen to see something suspicious, do not hesitate to call the police with a description of the persons, their vehicle and what they are doing. This may save a fellow student or staff member from suffering the frustration associated with being a victim. Remember it is a team effort. The police are here to serve and assist you, and we need your help to maintain a safe campus that is conducive to learning.
