

PRESIDENT'S MESSAGE:

WE CARE DEEPLY that you are here and strive to make your educational journey at WVC a great experience. Your successful future is our core mission. I'd like to share my best recipe for your success:

Perseverance + Commitment + Planning = Your Success

While this may not be your typical mathematical equation, the parts on the left hand side of the equation, when added together, equal YOUR ACADEMIC SUCCESS! Persevere in your journey toward a degree or certification, commit yourself to your studies, and plan your educational roadmap. These three things, together with West Valley College's excellent faculty, staff, and student support add up to your academic success.

All of us at WVC extend to you a warm welcome to the new term. Enjoy your courses, study hard, and keep focused on your academic goals!
