Dear Students,

I am honored to be able to welcome you to West Valley College. We know these are uncertain times, with unforeseen changes coming on a daily basis. Rest assured, you don't need to put your academic goals on hold. The college is open and committed to helping you along the path to completing your lower division courses, finishing your degree, transferring to a four-year university, or learning valuable new career skills.

We want you to know we are fully engaged in providing our students with the highest quality instruction, taught by our university caliber faculty and bolstered by our outstanding student support staff, in an online format that is accessible and convenient.

The actions we have taken in this transition to an online campus include comprehensive faculty training in effective online instruction and access to live chat or video conference support services from offices like counseling, financial aid, admissions, and more.

Our Office of Student Needs is providing food resources for students on a daily basis, as well as laptop checkout and free wireless access, so no student is left behind in this challenging environment.

Our West Valley College Online team is providing valuable tips and best practices for online learning by providing instructional videos and documentation to help you adapt and succeed.

I hope to meet you and hear your thoughts during one of our online student forums we will be hosting throughout the summer. Take care and keep flattening the curve!

Sincerely,

Stephanie Kashima
President, West Valley College

The vision for the recently opened Center for Identity, Exploration and Inclusion is to create a community that supports all students through intentional programming and activities. This Campus Center space creates a living room vibe where users from all backgrounds feel comfortable, welcome, safe, and supported. What sets this space apart is not only the look and feel but what it has to offer: small group discussions with guest speakers like activist and actor Indya Moore, a book signing by the author of “There There” Tommy Orange, leadership trainings, self-discovery workshops, open mic, poetry slam, movies, shop talk (free haircuts) and events put on by our Student Equity Ambassadors. So drop by any time the doors are open and feel at home.

MATH 004C LINEAR ALGEBRA
Prerequisite: MATH 003B. Advisory: MATH 004A. This course develops the techniques and theory needed to solve and classify systems of linear equations. Solution techniques include row operations, Gaussian elimination, and matrix algebra. It investigates the properties of vectors in two and three dimensions, leading to the notion of an abstract vector space. Vector space and matrix theory are presented including topics such as inner products, norms, orthogonality, eigenvalues, eigenspaces, and linear transformations. Selected applications of linear algebra are included. Transfer: CSU/UC

### WOMEN, GENDER AND QUEER STUDIES

#### WGQS 001 INTRODUCTION TO WOMEN’S STUDIES
This course introduces students to the study of women and gender, from an intersectional perspective. The course provides an overview of the "waves" of women’s rights movements in U.S. history and debates about women’s roles in society. With this grounding in a variety of feminist discourses, students have the opportunity to explore contemporary women’s rights issues in both local and global contexts. Topics include: the social construction of gender, race, class, sexualities, and disabilities in different cultures; women’s sexualities and gender identities; health and reproductive issues; family structures; violence against women; the economics of women’s labor, paid and unpaid; education, political activism and social justice. All genders are equally welcome in this course. Pass/No Pass Option. Transfer: CSU/UC
