Hello and welcome to West Valley College.

I am so excited that you have chosen West Valley for your educational journey. If you haven't heard, our college is known for its high-quality faculty, abundant student support services, and a culture of caring. Students who complete their journey at West Valley tell us that it is the sense of belonging that brings them back semester after semester. We have the smallest class sizes in the area with an average of 20 students in each class. Our award-winning faculty receive extensive training in the most effective teaching methods as a regular part of their work lives. And our staff make it possible for us to provide high-touch support to each and every student.

Class of 2021 CA high school graduates can qualify for our Community Grant, which provides free tuition and additional funds for textbooks and transportation for your first year of college. Not a recent grad? Our staff will help you apply for financial aid, grants, and scholarships to help you get started.

We have a robust technology loan program, providing hundreds of students with wireless hotspots and laptops, helping students access online instruction. Since the start of the pandemic our food resources program has supplied over 10,000 bags of food, 7,000 grocery gift cards, and 7,500 bag lunches for those experiencing food insecurity. On the back cover of this class schedule, you can find more information on the many services we're providing during this challenging time to help students cope, learn, and achieve their academic goals.

With the lifting of restrictions, we have our 12 athletics teams competing again including men's and women's soccer and water polo, baseball, basketball, beach volleyball, softball, and tennis, and have won 16 Coast Conference titles in the last seven years. Our athletes also win in the classroom, earning CCCAA Scholar-Athlete of the Year awards, CCCAA Scholar-Team awards, and Academic All-American awards.

We offer the most transfer pathways to California State Universities, like SJSU, Chico State, and CSU Monterey Bay, through our 30 Associate Degrees for Transfer (ADTs) in majors like Business, Psychology, and Elementary Education, among many others. We also offer transfer priority guarantees to many of the University of California campuses including UC Davis, UC Santa Barbara, and UC Santa Cruz and some private and out-of-state universities, including Historically Black Colleges and Universities (HBCUs) and the University of Hawai'i at Mānoa.

Our students go on to great heights. They transfer to universities ranging from our top two transfer destinations, San Jose State and UC Santa Cruz, to Santa Clara University, Columbia University, Morehouse College, UCLA, UC Berkeley, and Stanford.

What excites me most is the journey you are about to embark on. My college journey changed me from a shy and uncertain 18-year-old to a confident, driven, and outspoken 22-year-old where even the way I walked and talked transformed. I can't wait for you to start on that journey. I hope you find courses and services in this class schedule that excite and inspire you to join us and start on your college journey.

I look forward to seeing you soon,

Sincerely,

Stephanie Kashima
President, West Valley College

Changing Your Class Schedule

Students who have registered may make changes to their schedule in the WVCPortal. Always review your current balance after making any changes to your schedule.

Adding Classes

To add a class once the term begins, you must attend the first class meeting. If there are seats available, the instructor will assign students Add Codes for the class. The Add Code is a six-digit alpha-numeric code that gives the student permission to add the class on our WVCPortal. Add Codes must be used by the deadline.

It is your responsibility to meet all pre and corequisite requirements prior to registration. It is also suggested that students monitor their courses through the WVCPortal on a regular basis. In addition, it is your responsibility to drop the course you added if you no longer want it. Be sure to check deadline dates.

Note: Wait list ends once class begins.

Dropping Classes

Full-Term Classes

The WVCPortal can be used to drop classes before or after the term begins. It is the student's responsibility to officially drop classes. DO NOT ASSUME THAT YOU WILL BE "DROPPED" FROM A CLASS BY THE INSTRUCTOR. IT IS THE STUDENT'S RESPONSIBILITY TO DROP ALL UNWANTED CLASSES. No enrollment fee refunds will be issued for classes dropped after the published refund deadline in the current Schedule of Classes. An add code cannot be issued before the start date of the class.

Short-Term Classes

Students must drop the day before the first class meeting to receive a refund for short term classes that meet for five days or less. Refunds are also issued to students that drop short term classes that meet 5 times or more before 10% of the scheduled class meetings have elapsed.

Repeatability

New state regulations allow few courses to be repeated. In addition, there are groupings of courses with similar content called "families" in the PE, Art, Theatre, and Music disciplines. West Valley and Mission College's "families" of courses are linked and students may only take 4 courses within a family whether the course is offered at West Valley or Mission College. Refer to the table in the online schedule, campus catalog or consult with a Counselor to review the full list of "family" courses.

Audit Information

An auditing student is a class observer who attends the class without the requirement of taking tests or completing assignments. Students must receive official approval from the specific instructor to add the course. Priority in class enrollment shall be given to students enrolled in the course for credit toward a degree or certificate. High School students and F-1/I-20 students are not allowed to audit. No student auditing a course shall be permitted to change his or her enrollment to receive credit for the course.

To audit a course, students:

1. Attend first class meeting and request permission to audit the course from the instructor.
2. Obtain and complete an audit slip from the Division Office or Admissions and Records (not all courses are auditable).
3. Bring form to Admissions Office during 3rd week of term with \$15 per unit fee.

For more details, see Audit Policy in the college catalog.

The WVC fee for processing checks returned by a bank due to insufficient funds, stopped payment or closed accounts is \$15.00 per check in addition to the original amount and may go as high as \$25.00, depending upon the response time on the check clearance. In addition, a delinquency hold will be placed on the student's records and registration will not be allowed. Passing of N.S.F., stop payment, and account closed checks may be considered a criminal offense and may be referred to the District Attorney's Office for prosecution.

Use of Social Security Number

Notification of Tax Identification Numbers (TIN) or Social Security Numbers (SSN) Required Collection & Usage. Federal legislation relating to the Hope Tax Credit and Internal Revenue Service (IRS) 1098T production mandates that all colleges report student SSN or TIN numbers to the IRS. This IRS mandate requires colleges to collect the SSN or TIN.

A student may refuse to disclose his or her SSN or TIN to the school but the IRS is then authorized to fine the student in the amount of \$50. West Valley

College assigns a unique student ID number to every student and does not use the SSN or TIN as a student identifier. All SSNs and TINs collected as mandated are protected by federal regulations under the Family Educational Rights and Privacy Act (FERPA).

Return of Title IV Funds

A student may owe money back to the Department of Education if he/she received federal financial aid and then withdrew before completing 60% of the semester or completed zero units at the end of the term. The federal programs include: Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), and the Federal Direct Loan Program. The College is required to determine the amount owed and to bill the student. The student has 45 days to respond. If the student fails to pay the debt, the College is required to notify the National Student Loan Data Service (NSLDS) and at that time, the student becomes ineligible for any further financial aid consideration, regardless of which school the student is attending, until the debt is paid in full.

Financial Aid Updates

Satisfactory Academic Progress (SAP)

Federal regulations have added a new element to monitor academic progress for financial aid students: Pace Quantitative Standard

Pace Quantitative Standard: Maintain a CUMULATIVE completion rate of 66.7% (2/3) of ALL attempted units and a CURRENT completion rate of 66.7% (2/3) at the end of every semester. "Completing" units is defined as receiving a grade of A, B, C, D or P. For additional information please visit westvalley.edu/financialaid/progress

Course Repeatability

Students repeating courses will be allowed to continue to benefit from financial aid based on the course repeatability regulation. Financial Aid will allow one repetition after passing the course. Passing grades are: A, B, C, D, P. Courses from which a student withdraws are not considered repeated coursework. Refer to the College's catalog for the College's course repeatability policy.

Lifetime Pell Grant Limits

Applies to all students regardless of when they received their first Pell grant. Students are eligible to receive Pell grant for up to 12 full time semesters. A student attending as a half-time (6 units) student is considered as having used half of a semester for purposes of tracking the Pell grant limits.

Unusual Enrollment History (UEH)

Unusual Enrollment History (UEH) means the student attends an institution long enough to receive (Title IV) federal student aid funds, leaves without completing the enrollment period, enrolls at another institution, and repeats the pattern of attending just long enough to collect Title IV funds without having earned any academic credits.

If selected, Financial Aid will ask for transcripts for all institutions/universities attended in the last four years. Students will also need to provide their reason(s) for jumping from school to school and submit documentation to back up their situation.

Veteran's Educational Benefits

New veterans should visit our website: westvalley.edu/veterans or contact the Veteran's Certifying Official in the Financial Aid Office, located in the Student Services Center (SSC), at least six weeks prior to the first day of school. Processing paperwork early can help avoid delay in receipt of first payment. You must bring a copy of your DD214 or 2384 (NOBE) or Certificate of Eligibility for Ch. 33 (post 911) and any documentation relating to spouse and/ or dependents. Returning veterans should allow the same amount of time for their requests. Continuing veterans should check with the Veterans Office as soon as they register each semester.

PAYING REGISTRATION FEES

Registration fees are due at the time of registration. If you are having difficulty, payment plans are available. Remember, if you can't pay by the deadline you risk being dropped from your classes. Please review payment policy, deadlines, and options at westvalley.edu/admissions/fee-schedule.html

Financial aid is always an option to cover registration fees and to assist with any other school related expenses. For more information visit westvalley.edu/services/financialaid/

PARKING REGULATIONS - Overview

A valid student, staff, or one-day "daily" visitor parking permit is required to park on campus. Student and visitor parking permit requirements are enforced Monday through Sunday, between 7:00 AM and 10:00 PM.

Purchase and/or possession of a permit does not authorize parking on campus. It is the responsibility of the driver to properly park the vehicle and to properly display a valid and authorized permit. Vehicles with car covers are no exception.

Restricted areas, including disabled parking, red zones, loading zones, staff parking, and time zones, are enforced every day, 24-hours a day. Overnight parking is prohibited without prior authorization from the District Police.

Purchasing a Parking Permit

Due to the profound impact of the COVID-19 pandemic on our community, and as a one-time COVID-19 relief measure, West Valley College will be providing all registered students with Summer 2021 and Fall 2021 semester length parking permits at no cost. To receive a permit at no cost, students must order their permit by logging into the student portal on the college website and ordering via the student permit sales link within the student portal. Students may also be able to pick up a no cost permit at the Admissions and Records office when that office reopens for onsite services, however, students are strongly encouraged to confirm office hours and permit availability with the Admissions and Records office before visiting. For online permit orders, a printable temporary permit will be immediately provided by e-mail if the permit purchased is currently in use.

Visitors may purchase a one-day "Daily" parking permit at any of the daily permit dispensers located in parking lots B, C and D. Daily permits are \$3.00 per day and all dispensers will accept cash, coins, and credit cards.

To be valid, all permits must be displayed on the front dashboard and the entire permit, including the expiration date, must be visible from the outside of the vehicle.

SUMMER SESSION Parking Information

There is no student parking grace-period offered during any of the summer sessions. All vehicles parked on campus during the summer sessions must have a valid parking permit properly displayed at all times.

FALL SEMESTER Parking Information

A student "grace-period" will be observed during the week immediately prior to the start of the Fall semester and during the first week of the Fall semester. (The "grace-period" begins on Monday, August 23, 2021 and ends on Monday, September 6, 2021.)

During the grace period, no parking citation will be issued to any vehicle that is parked in a marked student parking stall without a permit; all other parking violations will be enforced. Parking citations may be issued to vehicles failing to display a valid student parking permit beginning Tuesday, September 7, 2021.

GENERAL Parking Information

VISITOR PARKING - Visitors who will be on campus for a brief visit may take advantage of a limited number of free forty (40) minute time zone parking stalls located in parking lot 5. Visitors planning a longer visit to campus should purchase a one-day "daily" parking permit at any of the daily permit dispensers located throughout the parking lots.

MOTORCYCLES/TWO-WHEELED VEHICLE PARKING - Motorcycles and other two-wheeled vehicles are prohibited from parking in spaces designated for four-wheel vehicles. Designated motorcycle parking is available in parking lots 2, 3, 5, and 7. No parking permit is required for two-wheeled vehicles.

DISABLED PARKING - All individuals who are disabled (as defined in the California Vehicle Code Section 295.5) and use a designated disabled parking stall must display a valid placard or specialized license plates issued by the DMV. Failure to display a valid placard or plate may result in a citation and fine.

SPECIAL PARKING AND LOADING - Students or Staff members who have special parking or loading needs must make arrangements with Parking Services in advance. Business cards or notes left on the vehicle are not acceptable and a citation may result. No warnings are issued.

LOST/STOLEN PERMITS - Stolen permits should be immediately reported to the District Police Department by calling 408-855-5435 or by visiting the Police business office located adjacent to the athletic facilities. Lost permits will not be replaced free of charge, however, a replacement permit may be purchased at the original purchase price.

- Through WVC Portal, you can update your address at any time. It is your responsibility to keep your information updated and current.
- Use the WVC Portal to make sure your class schedule is accurate.

1. What is Priority Registration?

Sometimes called Priority Registration or Priority Enrollment. There are State-Mandated Priority Registration groups such as Veterans, Foster Youth, EOPS, CalWORKs & DESP participants. By state law, these groups must be given priority over all other students. West Valley College has also established College Priority Registration for other student groups. These groups may register after the state-mandated groups. Students who have not completed the 3 core requirements will register later than those who have completed these requirements. For more information see the Student Success Act.

2. How do I register for classes?

If a student misses two semesters (fall/spring), the student will need to file an application for admission. If class has not started and is not closed, students may register through the WVC Portal or in person, at the Admissions Office. If class has started or is closed, students will need to obtain an add code from the instructor and add online before the deadline.

3. How do I know if I'm a full-time or half-time student?

Full-time students must be enrolled in 12 units or more.

Half-Time student must be enrolled in at least 6 units.

This is solely for Fall and Spring semesters. Please see a Counselor to discuss registration status when taking winter and summer term courses. If proof of enrollment is required, students may request a verification letter from the Admissions & Records Office for \$2 or print their current class schedule from the WVC Portal.

4. How do I prove I have met a course prerequisite?

If a prerequisite course was taken at West Valley College, the system will automatically verify it and allow registration. If taken at another institution, an unofficial transcript, grade report or in progress print out should be submitted to the Welcome Center. Students also have the option to submit a challenge form along with supporting documents to the Welcome Center.

5. How many times can I repeat a class?

Students are not allowed to repeat courses that have been successfully completed with a grade of A, B, C or P. Students may repeat any course in which a substandard final grade (D, F, NP or W) was earned. If a student fails the same course TWICE, he/she is required to register in person, at the Admissions Office, for the THIRD and final attempt. An Academic Appeal Petition must be submitted to the Admissions Office for a FOURTH attempt when documented extenuating circumstances have occurred. See the college catalog for more information regarding course repetition for substandard work, documented extenuating circumstances and/or significant lapse of time.

6. When is the last day to register for a class?

The last day to register for a class is the day before the class begins, as long as there is space available. Once the class begins, students must obtain an Add Code from the instructor.

7. Can I audit a class and how do I sign up?

Some departments allow students to audit their classes for a reduced fee. Audit slips are obtained through the Dean's Office, signed by the instructor and processed in the Admissions Office after the ADD/Drop period has ended. No academic credit, record or grade is given. High School students and F-1/I-20 students are not allowed to audit.

8. Where do I get an Add code?

ADD codes are obtained from the Instructor and may be used to add a class through the WVC Portal.

9. How do I know if my class was cancelled?

A cancellation email will be sent to you. A cancellation notice will be posted on the classroom door. Check with the Division Office.

10. I am unable to attend the first class meeting(s). What should I do?

Contact the instructor by email and/or by phone and leave a message. For Instructor e-mail and phone numbers - Go to westvalley.edu/faculty and search for your instructor by name. If you are unable to locate the instructor's information, contact the Dean's Office coordinator.

11. When is the last day to drop with a full refund and without a "W"?

For Semester-length Classes - The last day to drop a semester-length class with a refund and without a "W" is within the first two weeks of the term. For Short-term Classes - Students must drop within 10% of meeting days. See the WVC Dates and Deadlines page for specific dates.

12. I am a high school student, how do I submit my grade to my school?

Students can order an official transcript through the WVC Portal or request an official transcript from the Admissions Office.

13. How do I know which books I need for my class?

Obtain a list of required books from the WVC Portal. Start by going to www.westvalley.edu. Go to Student Services, click on Book Store > Purchase textbooks Online. You can purchase your textbooks at our campus bookstore or online.

14. How do I print a schedule of my classes?

Students can print their current class schedule from the WVC Portal, under registration.

15. How do I pay for my classes?

Online through the WVC Portal. Click on: Student>Student Account>Nelnet Payment Options. On campus at the Admissions Office. By U.S. mail (send payment to: West Valley College Attn. Admissions Office). Accepted payment type - Visa, MasterCard, Discover, check or cash.

Be sure to write student's name and WVC ID # on check.

16. I received a fee waiver. Why am I being charged fees?

The fees waived are the enrollment fees (the cost per unit), however students are required to pay the College Basic Fees (Campus Center, Health Services, Web Reg and Associated Services fees) and any other fees associated with their classes. Parking permits for fee waiver recipients are discounted for fall and spring.

17. How do I receive my financial aid?

West Valley Mission College District has partnered with BankMobile to deliver your financial aid refund. BankMobile is committed to provide students with clear choices and offer great customer service.

Your choices include:

- Deposit to an existing account

Textbooks are available in the library to use for up to 2 hours at a time. Also, students may borrow textbooks, calculators and laptops for the semester through the Textbooks and Technology Program. Quantities are limited. Please visit the library homepage for details.

19. Do I need a parking permit and where do I get one?

Parking permits are required at all times, except in marked visitor time limit stalls.

One-day "daily" parking permits can be purchased from parking permit machines located in all parking lots. **Semester permits** can be purchased online or in the Admissions Office. Students that order online must login to the student portal on the college website and order via the link within the student portal. Paths to Success at West Valley College...Join a Learning Cohort!

Research has shown that being a part of a learning cohort increases a student's chance of success. West Valley College has three learning cohorts from which you can choose. In the learning cohorts, students have an assigned counselor who is also their College Success (Counseling 5) instructor. The academic instructors work in tandem with the counselor to provide extra support in the student's first year of college. In each cohort, supportive friendships are built as students take two or more classes with the same peer group

CAMPUS SAFETY

The West Valley/Mission Community District strives to maintain a safe environment for students, staff, and visitors to pursue educational objectives. However, a truly safe and secure campus can only be achieved with thorough cooperation of all members of our College community.

Throughout the academic year, the District Police and Health Services in conjunction with Student Services presents informational programs concerning the awareness and prevention of sexual assault. These programs consist of guest speakers, films and printed materials. To obtain further information, please contact either the District Police, Health Services or Student Services. Counseling assistance is available through Health Services and the Counseling Department.

The College will vigorously prosecute and discipline persons identified as responsible for sexual assaults. In addition to criminal prosecution, the College may impose discipline against students, student organizations or College faculty or staff identified as committing or participating in sexual assaults. College discipline includes: expulsion from the College; suspension for a specific time period; or probation for a specific time period.

Discipline proceedings involving students will be processed through the office of the Vice President of Student Services. Discipline proceedings involving faculty or staff members will be processed through the District Human Resources office. Both the accuser and the accused are entitled to the same opportunities to have others present during a campus disciplinary proceeding. Both the accuser and the accused shall be informed of the outcome of any campus proceeding alleging a sexual assault.

Campus facilities are generally open Monday - Friday, 8am - 5pm, and during other hours as special events, extra curricular and as classes dictate.

REPORTING SEXUAL ASSAULT

As soon as possible, the victim should report incidents of sexual assault, including date or acquaintance rape to the District Police Department, the local police (if the victim is unable to make contact with the District Police), or a College faculty or staff member who can aid in contacting the proper authorities. The Counseling Department and Health Services can also help in contacting the proper authorities. The victim should make every attempt to preserve any physical evidence of the assault. This may include not showering or bathing, not cleaning the scene of the incident, and not disposing of any damaged clothing or other items. The District Police will immediately initiate a criminal investigation into on-campus sexual assaults.

The victim will be given information on counseling and support groups. If the victim wishes to change an academic schedule, the appropriate steps will be taken to accommodate the victim to the full extent possible. The College also encourages persons reporting to seek the support and assistance of friends or family when needed, in presenting their concerns. Santa Clara County offers

24 hour counseling for victims of crimes. The Santa Clara County Valley Rape Crisis Center may be reached at (408) 287-3000. For more information refer to National Center for Victims of Crime: ncvc.org

SAFETY ESCORTS

There is an escort service at both colleges available from 5:00pm to 10:00pm Monday through Thursday. Escorts can be reached by dialing 2092 on campus or 741-2092 from a non-campus line. Times must be arranged in advance so the escorts can meet students at their classes. The District Police will provide you with assistance in unlocking your vehicle, providing jumper cables, or summoning a tow truck or locksmith to assist you. We cannot attempt to open vehicles which have electric locks or windows. We will also assist family members in contacting students who are in class if there is a serious family emergency.

CRIME PREVENTION

The District Police Department provides a number of services to help educate the campus community in how to avoid being a victim of a crime. Printed information is available at the West Valley Police Department and at the Mission College Police Desk on various topics including: Sexual Assaults, Vacation Security, Family Violence Reduction, Battered Women, Home Security, Crime Victims' Rights, Robbery Prevention, Car Crime Prevention, and How to Guard Against Attack In and Around Your Car. The police personnel are always available to answer questions and make suggestions regarding campus security issues. The campus community will be advised of any situations/incidents which pose a threat by the use of e-mail and the posting of bulletins. The sooner the police are called the better the chance of solving the crime. If you happen to see something suspicious, do not hesitate to call the police with a description of the persons, their vehicle and what they are doing. This may save a fellow student or staff member from suffering the frustration associated with being a victim. Remember it is a team effort. The police are here to serve and assist you, and need your help to maintain a safe campus that is conducive to learning.

CLERY ACT – ANNUAL SECURITY REPORT

The annual Security Report is available at the District Police Office, located on the West Valley Campus, and is available through the College website at wvm.edu/police/ This report includes campus crime and arrest statistics and other information that complies with the Jeanne Clery Disclosure of Campus Security Policy and Crimes Statistics Act. Campus crime, arrest and referral statistics include those reported to the District Police, designated campus officials, and local law enforcement agencies.

SEX OFFENDER REGISTRATION

All persons who are required to register as sex registrants per section 290 of the penal code should contact the District Police.

Information on California's registered sex offenders is available for viewing by visiting the California Department of Justice website at meganslaw.ca.gov.

ILLEGAL DISTRIBUTION OF COPYRIGHTED MATERIALS

West Valley College students are prohibited from using the West Valley-Mission Community College District (WVMCCD) information network to illegally download or share music, video and all other copyrighted intellectual property. West Valley College supports the Higher Education Opportunity Act and Digital Millennium Copyright Act, including efforts to eliminate the illegal distribution of copyrighted material. Under the law, college administrators may be obligated to provide copyright holders with information about users of the WVMCCD information network who have violated the law.

Be aware that illegal forms of downloading and file sharing as well as the unauthorized distribution of copyrighted materials are violations of the law and may subject one to academic sanctions from the college through the college's student conduct and discipline policies (as published in the College Catalog) as well as criminal and civil penalties, including a lawsuit against a student by the Recording Industry Association of America (RIAA).

Learn more at campusdownloading.com. In addition to being illegal, file sharing drains the WVMCCD network's bandwidth, which slows computer connections for students and employees who are using the network for legitimate academic purposes and ultimately costs the college money. There are plenty of easy, affordable ways to get music online legally. To protect their intellectual property, companies have licensed hundreds of digital partners that offer a range of legal downloading options, including download and subscription services, legitimate peer-to-peer services, video-on-demand, podcasts and CD kiosks. For a list of sources that offer legal downloading sites, access: riaa.com

Complaints

If you feel that Guided Self-Placement, orientation, counseling or any other matriculation procedure is being applied in a discriminatory manner, you may file a complaint. Refer to the Grievance Process located in the "rights and responsibilities" section of the current College Catalog or contact the Director of Human Resources and Employee Relations in the Human Resources Office.

Academic Appeals Committee

The College maintains an Academic Appeals Committee whose purpose is to provide an avenue of appeal for students seeking relief from the rules and regulations of the College pertaining to admission, readmission, residency, tuition or fees, degree or certificate standing, academic standing, and extensions of deadlines, priority registration, and fee waiver.

Prior to petitioning the Academic Appeals Committee, students must first attempt to resolve their problem or concern directly with the appropriate faculty member or Instructional Dean. Grade appeals are handled only by the instructor and then appealed first to the Department Chair; second, Dean; and finally, Vice President of Academic Affairs.

Petitions for relief from academic rules and regulations must be submitted in writing on forms available in the Admissions Office. Appeals of the Committee's decisions may be submitted to the Committee for reconsideration if a student has additional EXTENUATING CIRCUMSTANCES that were not included in the original petition.

Decisions of the Academic Appeals Committee are final and binding, but may be appealed to the Vice President of Student Services in writing by the student within five (5) instructional days of reaffirmation of the Committee's decision.

Changes in Rules and Policies

The West Valley-Mission Community College District and West Valley College have made every reasonable effort to determine that everything in this class schedule is accurate. Courses and programs offered, together with other matters contained herein, are subject to change without notice by the Administration of the West Valley-Mission Community College District or West Valley College for reasons related to student enrollment, level of financial support, or for any other reason, at the discretion of the District and the College. The District and College further reserve the right to add, amend, or repeal any of their rules, regulations, policies and procedures.

Release of Student Information (FERPA)

Students have the right and the responsibility to control the release of information about themselves. On the WVC application, students indicate whether they want certain information to be released to any person or agency who requests it. By answering "yes," students agree to allow their "name, address, telephone number, date and place of birth, major field of study, class schedule, (including classes, rooms, days of the week and time of day for each class), participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous public or private school attended by the student" to be released without their written consent. **Please be advised that answering "no" means that parents, family, friends, and employers cannot have access to the above-mentioned information while answering "yes" means that the College may release any or all of that information on demand.**

INFORMATION DISCLOSURE

The Family Educational Rights and Privacy Act (FERPA) and District policy afford students certain rights with respect to their education records. They are:

1) The right to inspect and review the student's educational records within 5 days of the day the College receives a request for access.

Students should submit to the Director of Enrollment, or other appropriate official, written requests that identify the records they wish to inspect. The College official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the office to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2) The right to request the amendment of the student's educational records that the student believes are inaccurate or misleading.

They should write the College official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for such amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3) The right to consent to disclosures of personally identifiable information contained in the student's educational records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility.

Upon request, the College discloses educational records without consent to officials of another school in which a student seeks or intends to enroll.

4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by West Valley College to comply with the requirements of FERPA:

Family Policy Compliance Office U.S. Department of Education
