Transfer Planner
Preparing to Transfer to a Four Year University

First Steps

- Complete an orientation
- Meet with a counselor to explore your transfer options
- Identify a major
- Identify your GE pattern (IGETC or CSU GE)
- For UC & CSU transfers, visit assist.org to see what courses are required for your major

Explore

- Research the colleges & universities you are considering transferring to
  - Visit each institution’s website for their transfer requirements especially for private and out-of-state universities
- Create an educational plan with a counselor
- Attend Transfer Day in fall semester
- Plan campus visits (you can book tours online)
- Visit the “Calendar” tab on the Transfer Center’s website to learn about transfer events on campus, including:
  - Transfer workshops
  - Campus tours to four-year institutions
  - University representative visits to our campus (for appointments or presentations)
